

Model B—Type X

## The Moulthrop Movable and Adjustable Desk

Made of quartered oak, gloss finish.

All parts are solidly constructed to withstand hard usage.

Adjustable supports for the writing table are of electrically welded steel.

Three simple adjustments are embodied:—

- (a) Perpendicular adjustment of the table for height.
- (b) "Plus and Minus" adjustment by which the writing table slides to or from pupil.
- (c) Angular adjustment for sloping the writing table from horizontal to 43 deg. to obtain a comfortable, convenient position for reading, drawing, etc.

The bases of legs are fitted with "domes of silence," enabling desk to be moved easily to any desired position in room. These domes will not mark hardwood or linoleum-covered floors.

Moulthrop Movable Adjustable Chair Desks are made in six sizes.
