

ELECTION OF EXECUTIVE DIRECTORS

- (a) The six executive directors referred to in Article VIII, Section 3 (b) (ii) shall be elected by the governors eligible to vote for that purpose.
- (b) Each governor shall cast in favor of a single person all the votes to which the member he represents is entitled under Article VIII, Section 4.
- (c) In the first place, as many ballots as are necessary shall be taken until each of four candidates receives a number of votes that represents a percentage not less than the sum of the percentages appertaining to the country with the greatest voting power and to the country with the least voting power. For the purposes of this paragraph, the total voting power of the countries entitled to participate in the voting provided for under this annex shall be counted as 100 percent.
- (d) In the second place, governors whose votes have not been cast in favor of any of the directors elected under paragraph (c) of this annex shall elect the other two directors on the basis of one vote for each governor. The two candidates who each receive a greater number of votes than any other candidate, on the same ballot, shall be elected executive directors, and the balloting shall be repeated until this occurs. After the balloting has been completed, each governor who did not vote for either of the candidates elected shall assign his vote to one of them.

The number of votes under Article VIII, Section 4, of each governor who has voted for or assigned his vote to a candidate elected hereunder shall be deemed for the purposes of Article VIII, Section 4 (c) (ii) to have counted toward the election of such candidate.
