### Access, correction and notation

1. A competent authority shall afford to a person who is not present in the territory in which that authority exercises jurisdiction, to whom the API/PNR data processed pursuant to this Agreement relates, access to the data as well as the opportunity to seek correction if it is erroneous or add a notation to indicate a correction request was made.
2. The opportunity provided by the competent authority for access, correction and notation with respect to such data shall be afforded in circumstances similar to those where it would be available to persons present in the territory in which that authority exercises jurisdiction.

### Obligation to process API/PNR data

1. In relation to the application of this Agreement within the Community, as it relates to the processing of personal data, air carriers operating eligible journeys from the Community to Canada shall process API/PNR data contained in their automated reservation systems and DCS as required by the competent Canadian authorities pursuant to Canadian law. The list of PNR data elements that air carriers operating eligible journeys shall transfer to the Canadian competent authority is contained in Annex II to this Agreement, which forms an integral part thereof.
