

tonight without first having obtained from parliament a direction that he may speak on this very important subject to the general constituency of Canada. He has not taken the opportunity to avail himself of the opinions of members of this Chamber, and therefore he will be speaking tonight solely as the leader of the Liberal party. As a protest I move, seconded by the hon. member for Broadview (Mr. Gilbert):

That the House do now adjourn.

Mr. Speaker: Order, please. I am sure all hon. members are aware of the rule that a motion to adjourn the House is always in order. It has been moved by the hon. member for Timiskaming (Mr. Peters), and seconded by the hon. member for Broadview (Mr. Gilbert), that this House do now adjourn. Is it the pleasure of the House to adopt the said motion?

Some hon. Members: No.

Mr. Speaker: All those in favour of the motion will please say yea.

Some hon. Members: Yea.

Mr. Speaker: All those opposed will please say nay.

Some hon. Members: Nay.

Mr. Speaker: In my opinion the nays have it.

And more than five members having risen:

Mr. Speaker: Call in the members.

The House divided on the motion (Mr. Peters) which was negated on the following division:
