

matter, & perhaps, another  
and more universal expression  
from the Corps may give  
some of us "small fish"

on Canada - and all the  
other things of your  
personal friends here ✓  
did not quite know what  
to make of your appointment  
to the residue of life.

It is, however, if I may  
say so, a very honourable,  
dignified and useful  
position, quite clear &  
above all political strife,  
and one from which you  
can very conveniently step  
should the needs of Canada
