and Cadell and Davies, Strand.

PINKERTON'S VOYAGES AND TRAVELS IN EUROPE AND ASIA COMPLETE.

I.

A COLLECTION of the best and most interesting VOYAGES and TRAVELS in EUROPE, being the first portion of a GENERAL COLLECTION OF VOYAGES AND TRAVELS; forming a complete History of the origin and progress of discovery, by Sea and Land, from the earliest ages to the present time. Preceded by an Historical Introduction, and Critical Catalogue of Books of Voyages and Travels, and illustrated and adorned with numerous engravings, in 6 vols. 4to. price 13l. 13s. in boards.

By JOHN PINKERTON,
 Author of "Modern Geography," &c.

In several collections of this kind, it has happened that the Voyages and Travels in Europe, by being referred to the last, have been either omitted, or given in small detached portions. The arrangement here adopted, has at least supplied that defect, without hazarding a similar imperfection in relation to any other quarter of the globe.

II.

A COLLECTION of the best and most interesting VOYAGES and TRAVELS in ASIA, many of which are now translated into English, being the second portion of the GENERAL COLLECTION OF VOYAGES AND TRAVELS; in 4 vols. 4to. embellished with 47 beautiful engravings, price 8l. 8s. in boards.

* * * The remainder of the work, containing the descriptions of Africa and America, will be brought forward in similar detached portions, for the accommodation of persons who may prefer this mode of publication. The publication in monthly parts will, however, be continued as before. 44 Parts are already published, price 10s. 6d. each, and may be had as above.
