NO DISRESPECT SHOWN

ROYALTY SAY WOMEN

LONDON, March 10.—The union to which the militant suffragettes belong issued this evening the following note: "The presentation of a petition to the King and Queen was out of respect to their majesties, but to call their attention to the fact that there are in power ministers who are completely ignorant of the very serious situation which has arisen and who are quite out of touch with the popular feeling of the country in connection with the denial of the elementary rights of citizenship."

NEW SCHOOL NURSES.

Twelve additional school nurses will begin work next Monday. They issued this evening the following note: "The presentation of a petition to the King and Queen was out of respect to their majesties, but to call their attention to the fact that there are in power ministers who are completely ignorant of the very serious situation which has arisen and who are quite out of touch with the popular feeling of the country in connection with the denial of the elementary rights of citizenship."

ECZEMA IS CAUSED
BY IMPURE BLOOD

Cured by Dr. Williams' Pink Pills Because They Make Pure Blood.

Ask any doctor and he will tell you that eczema is caused by impurities in the blood; that nothing can cure it that does not reach the blood—that salves and outward applications are worthless as a waste of money. The reason why Dr. Williams' Pink Pills have always been so successful in curing this most annoying trouble is because they act directly on the blood, reaching the root of the trouble and driving out all impurities. They banish eczema, salt rheum, and unsightly pimples and eruptions, relieve the irritation and itching and give perfect health. Mrs. A. Pilling of Milestone, Sask., says: "I was afflicted with blood and skin disease which the doctor called eczema, but which did not bleed in the least to his treatment. I was covered with sores and in very bad shape. A friend advised me to take Dr. Williams' Pink Pills and after using eight or nine boxes I was completely cured. I can strongly recommend the pills to anyone suffering from that trouble."

A medicine that can make new, red blood will cure not only skin troubles, but also anaemia, rheumatism, neuritis, indigestion and a host of other troubles, simply because these troubles are the result of bad blood. Dr. Williams' Pink Pills make new blood, and under their use blood and nerve troubles disappear. Sold by all medicine dealers, or by mail at 50 cents a box, or six boxes for \$2.50, from Dr. Williams' Medicine Co., Brockville, Ont.

THE Common Law.

"The Common Law," a dramatization of Robert W. Chambers' popular story, was presented at the Grand last night, and the stage story appeared to appear just as strongly to those who have not read the book as to those who have.

The novel is familiar to the very few who are struggling against the conventions and suffering the heartache that go with love and love and love. A sympathetic chord in the heart of every woman is struck by the story. It is a very interesting story, plentifully sprinkled with Irish wit and there is a thrill all of which held the attention to the curtain. Miss Quinlan handled her part in a splendid way, and contributed much to the success of the comedy, while Mr. Murphy as the priest showed much ability and a high standard of acting.

The company is well balanced and capable, and the last act, which shows Father Quinn's picnic, is especially clever. Edna Cunniff as the girl who does a child's part, was clever.
