

CUBERY'S VISITORS GUIDE TO VICTORIA.

Compiled by Wm. M. Cubery, of Cubery's Purchasing Agency.

While sojourning in this pleasant resort we discovered the necessity of a **GUIDE FOR VISITORS**. If these few pages enable strangers to discover some of the beauties of the place more readily than they otherwise would, the chief aim we had in view in publishing the Guide is accomplished; and if they meet with the same degree of kindness we have been favored with, they will linger as long as possible on these pleasant shores, and when they depart they will leave with grateful hearts.
