

## SEAGRAM'S BRIDE LANE WINS MAPLE LEAF STAKES

R. T. Wilson's Amalfi Lands the Handicap—Hildreth's Horses Beaten Three Times.

Favorites won three out of seven races yesterday in glorious weather at Woodbine Park, and S. C. Hildreth failed to score a first. Naushon, Bride Lane and Chief Kee were the winners that the public installed favorites. Florida's Beauty, Amalfi, Merryman and Planettes won at odds ranging from 5 to 2 to 5 to 1. Incidentally J. E. Seagram won a race, tho in doing so he kept Robert Davies out of brackets. John Dymont landed the feature of the day, the Liverpool Cup, Chief Kee being far and away the best in the race, and he provided the only horse to carry the top weight to victory. In one of the fleetest classics. The attendance was third largest and next to the opening Saturday and the holiday, there being about 10,000 in attendance. The public bet about \$155,000 three ways on the seven races, demonstrating that the mutuels are not causing any loss of interest in spectators. R. T. Wilson, Jr., was the winning owner of the day and Shilling and Sweeney the winning jockeys, with two firsts each.

Warbler showed first as the barrier went up for first race, and said goodbye. Sidney R. out of the rest of the running to the final furlongs, where Shilling let Naushon down and he breezed home. J. H. Houghton easily disposed of the balance. Roebuck beat Sidney R. out of third in the last 50 yards.

In the second race, Florida's Beauty Rod and Gun and Terrible Boy alternated in the lead to the stretch, all bunched. Entering the stretch Florida's Beauty moved up and appeared the winner in eighth out, when thirty-four closed with a rush and won going away. Florida's Beauty outflashed Rod and Gun, Maxerius was pinched off rounding first turn. Terrible Boy quit last quarter. A claim of foul was made by Jockey Sweeney against the winner and he was disqualified for crowding Florida's Beauty and Rod and Gun in the last sixteenth. There were only three starters in the third race, when J. E. Seagram scored his first win with Bride Lane easily by four lengths from Davies' Satin Bower, that rushed to the front going out then made the running to the final quarter, where Bride Lane moved up and won cantering. Mayflower was withdrawn.

The 1-16 mile handicap went to Amalfi all round. He and Edda made the running to the stretch where Amalfi drew away to an easy victory. Edda second easily. Woodcraft closed with a rush and dropped in an easy third.

Chief Kee, from the Dymont stable, won the Liverpool Cup cleverly by trailing the field till straightened for home and then won going away. The

big weight did not bother him a bit. Golden Wedding, coise to the rail, showed the way to a sixteenth from home, where Chief Kee came on the outside with a rush and won handily. Jim L. and Cat had a nice race for third, but Jim L. had a half length the better of it when they got thru the route.

Donna Ken was the public choice for the steepchase, but he couldn't stand up after taking two jumps. Sam Ball was well up when he went down. This left Merryman to go home an easy winner, with Judge Cronin alone in second place.

Planettes won the closing race of the day nicely, leading most of the journey. Idlewells landed the place by a nice stretch run. Missive staying for the show. Eagle Bird was well played but found the distance too far.

Jack Johnson Pays a Fine. NEW YORK, May 25.—Jack Johnson, the pugilist, paid a fine of \$10 in the police court in Brooklyn to-day for his chauffeur, who was charged with breaking the speed laws. Charles Brown, the chauffeur, had pleaded not guilty, when Johnson, who was late, stepping to the bar said:

"I am sure he is mistaken when he pleads not guilty. I believe he was going from 18 to 20 miles an hour. Isn't that the truth, Brown?" Brown admitted that it was, and Johnson paid the fine from a roll so large that he had difficulty in getting it out of his pocket.

## O'Keefe's PILSENER LAGER

"The Beer With A Reputation" Is Better Than Any Imported Lager

"Imported" does not mean "better". It simply means "higher prices" because of the excessive duty.

It is a Government regulation that all Canadian lagers must be brewed only from barley malt, hops and water,—which cannot be said of any American lager.

O'Keefe's "Pilsener" costs about half as much as imported brands—and is their superior in every respect—in purity, in flavor, in wholesomeness.

Are you going to pay a higher price for a poorer lager—or are you going to insist on having O'Keefe's?

Lending dealers, hotels and cafes have O'Keefe's.

The Baracas senior football team enjoyed a very pleasant outing on the holiday, when they visited the Colonials of Victoria Park, about 800 spectators being present. From the start the Baracas put the Colonials on the defensive and the exhibition of combination football. After about ten minutes of strenuous play, Dalzell scored for the Baracas with a fine shot, which the goalie could not hold. The Colonials evened up the score with a pass by Curran, Scott again put the Baracas ahead, and the visitors looked like sure winners. But a splendid shot from the Colonials' left wing just before the final whistle blew again tied the score and a very pleasant game was brought to a close. Altho the score was a tie the Baracas had much the better

## Trade Was Brisk at Maher's Exchange With Prices Fair

Fair attendance and fair prices characterized the auction sale of horses at Maher's Horse Exchange yesterday. Tho the offerings were rather lighter than usual, the trade was very brisk, over one-half of the horses that passed under the hammer being disposed of.
