

EXCELLENT SCHOOL CLOTHES

Profit making is the only reasonable motive for merchandising. It's the only excuse we have to offer for being in business, the reason why we can sell such good reliable suits for boys at such fair prices to-day and every day.

If we attempted the cut-throat business, the quality of boys' clothing would fall, and what would we gain or you gain?

It's because of quality, which is the first consideration here, that we sell so many boys' suits. The bargain fellows make bigger profits, but here your good-will is counted worth something.

Hewson tweeds have revolutionized the boys' trade of this store. You can't beat them for wear, and that's what counts in boys' clothing—6.50 to 12.00 is the price range, and full value for every dollar.

AILING WOMEN

Gain Health and Strength Through Dr. Williams' Pink Pills

Bloodlessness is the surest starting point of consumption. When your blood is thin, weak and watery, your whole health declines. Your face grows pale, your lips and gums white, your appetite fails, and your heart jumps and flutters at the least excitement. You have frequent attacks of headache and dizziness, and sometimes fainting spells. You are always weak and wretched, and lose heart in everything. These are the signs of bloodlessness, and you may easily slip into a hopeless decline if you do not build up your strength with Dr. Williams' Pink Pills. They actually make new, strong, rich, red blood, which brings back your rosy cheeks, your hearty appetite, your strength, energy and general good health. Here is strong proof from Mrs. Samuel Behle, wife of a well-known merchant and contractor at Sheet Harbor, N. S. Mrs. Behle says: "Some years ago I became so run down and distressingly weak that life seemed a burden. I was living in a bad cough, and was unable to do even light household work. I had the best of medical aid and medicines, but did not get any benefit, and grew so seriously ill that I was at last confined to bed, and my friends thought I was in a decline. My cough grew worse, and I despaired of getting better. My husband then brought me Dr. Williams' Pink Pills, and to my joy they soon began to help me. Gradually my strength returned, my appetite improved, and the cough left me, and day by day I grew better until I was again a well woman. I have since had perfect health, and when I compare my condition now with the state I was in when I began taking Dr. Williams' Pink Pills, no one need wonder that I am enthusiastic in praising this medicine."

Cases of this kind can only be cured by filling the veins with new, rich blood, and every dose of Dr. Williams' Pink Pills makes rich, health restoring blood, which goes right to the root of the disease. That is why these pills cure every-day ailments like anaemia, heart troubles, indigestion, nervousness, headaches and backaches, neurasthenia, kidney troubles, rheumatism, erysipelas, and the special ailments of womenhood and girlhood. All these troubles are rooted in the blood, and Dr. Williams' Pink Pills is the only medicine that actually makes new blood. Common medicine cannot do this, so you should insist upon getting the genuine pills with the full name, "Dr. Williams' Pink Pills for Pale People" on the wrapper around every box. If in doubt send direct to the "Dr. Williams' Pink Pills Co., Brockville, Ont., and the pills will be sent by mail at 50 cents a box, or six boxes for \$2.50.

HAPPENINGS IN HAMILTON

GOLF TOURNEY WINNERS

Misses Harvey Capture Feature Events—The Radial Railway Prospects.

Hamilton, June 15.—(Special.)—Hamilton won at the honors in the Ladies' Golf Club tournament to-day. In fact, they all went to one family. Miss Florence Harvey won the cup competition, and her sister won the consolation match. The cup match was an exciting contest between Miss Florence Harvey and Miss Dick, Toronto, and it was witnessed by a large gathering. At the 16th hole it was one-up and two to play. Miss Harvey won the 17th, and they were even on the 18th. Miss Harvey won on the 20th in four to five. The competitors in the consolation match were Miss Harvey and Miss Matthews, Toronto. Miss Harvey won with four up and two to play. Mrs. Rodgers, Toronto, won the coaching and cutting competition.

The following officers were elected at the annual meeting of the Children's Aid Society this afternoon: Adam Brown, president; Col. A. H. Moore, W. H. Wardrop, K.C., and W. A. Robinson, vice-presidents; Mrs. Truitt, recording secretary; J. M. Burns, treasurer; Wm. Hunter, officer of the society. Fault was found because the city council had not erected shelter for the members of the Hamilton branch of the Commercial Travelers' Association of Canada will meet at the Royal Hotel on Saturday evening for the purpose of arranging for a picnic at Oakville in a few weeks.

Masonic Elections.

W. Bro. Lyman Lee and W. Bro. H. N. Kiltson are the candidates for the position of D.D.G.M. of the Masonic order. The election will take place on the first evening of the grand lodge meeting in Toronto next month. W. Bro. E. A. Somerville will be a candidate for the office of grand junior warden.

Hon. Charles D. Haines arrived in the city to-day. He said that the Galt branch of the Hamilton, Ancaster & Brantford Railway would be built.

The 8th Regiment has an invitation to go to Hagersville on July 2.

Although it is claimed that a majority of the aldermen will vote in favor of giving the Hamilton, Waterloo & Guelph Railway the right to use the parks route, not enough members of the board of works and finance committee to make a quorum turned up at the meeting called for this afternoon. An effort will be made to get a meeting early next week.

Candidates in Ward 4.

W. J. Clark and Dr. McGillivray have announced themselves as candidates for the honor of succeeding R. H. Foster as representative of ward four on the board of education.

Richard Jones was sent down for six months this morning for stealing six knives from F. H. Skerrett.

In his presentation to-day the grand jury found fault because the city had no shelter for children, and because the county has no refuge for aged.

Premier Whitney's Visitor.

Premier Whitney was in the city this evening, and made an announcement that the government would establish a Normal College to Toronto and establish a Normal school here in its place. The premier came to the city to open the Twentieth Century Club house, J. W. Lamoreux, the honorary president, was in the chair, and presented Mr. Whitney with a golden key to the club. Mr. Whitney reviewed the work of the government, and expressed the hope that it would continue to act so that it would merit the confidence of the people. J. P. Downey, M.L.A., Guelph, eulogized the club members, Hon. J. S. Hendrie, Henry Carscallen, K.C., M.L.A., and J. J. Scott, K.C., also spoke. Mr. Scott said he did not want to be disagreeable, but if the government removed the Normal College, Hamilton would have no government institution, and would occupy a unique position in that respect. Those who occupied seats on the platform were: Mayor Biggar, F. C. Bruce, ex-M.P., G. H. Peabody, president of the club; Henry New, vice-president; Thomas Fanning, treasurer; Richard Jones, secretary. Ald. Sweeney and D'Arcy, M.P., were also present. The club house is a fine building.

NEWS NOTES FROM CAMP

HEALTH OF IT A FEATURE

Little or No Sickness—Trooper Newton of Light Horse is Kicked by a Horse.

Niagara Camp, June 15.—(Special.)—The feature of the camp is the lack of sickness. The men of the Ambulance Corps have nothing to do like they had in former years.

Looking over the hospital lines, it seems a shame that so much encouragement toward sickness should be shown to such a healthy-looking set of men.

The chief accident of the day befel Trooper Newton of the Toronto Light Horse. An unfriendly horse kicked him in the eye, after having rolled over him sufficiently to exhibit the supremacy of beast over man.

The drill to-day was decidedly uninteresting. It was simply looking at a lot of men doing what they didn't know how, but were trying to try. They sweated in the sunshine and inwardly cursed the officers, who were just as tired as they were.

The tactical day is going to be a treat for anybody that wants a splendid sight. It will be next Thursday, and after the sham fight.

The crack of the rifles at the ranges, and the uncertainty as to where the bullet is liable to land has the marvelous effect of getting one interested.

The marching and firing competition, which is to commence to-morrow, will be an affair of great interest.

The soldiers will shoot to-day for the Gowanus Cup, which is a piece of glory surrounding it, and if you are on the team that wins you can look at the cup. There are 12 companies of infantry and 12 squads of cavalry after it.

The artillery took up most of the time to-day, and did so with considerable noise, very successfully. The pick-outs of second and third years in the cavalry were put into a reconnaissance competition, which led them to the Queenston Heights.

There are a few cases of mumps in camp, and an effort will be made to eradicate them. One patient in the hospital.

The field sports will be under the direction of Gen. Otter next Tuesday and Wednesday. The committee is composed of Major F. W. Hill, Major Bascom, Major Orland, Major Bettie, Capt. Cowan, Capt. Carscallen and Lieut. A. M. Clark.

To-morrow the Queen's Own regiments will come over to camp with a representation from the Buffalo regiment, which is becoming so chummy with the Q. O. R.

BABY ALWAYS WELL.

"I have nothing but good words to say for Baby's Own Tablets," says Mrs. A. Dupuis of Comber, Ont., and she adds: "Since I began using the Tablets my little boy has not had an hour of sickness, and now at the age of eight months he weighs 23 pounds. I feel safe now with Baby's Own Tablets in the house, for I know that I have a medicine that will promptly cure all the minor ills from which babies suffer. It is strongly in favor of this medicine. Sold by all medicine dealers or by mail at 25 cents a box by addressing The Dr. Williams' Medicine Company, Brockville, Ont."

Penitentiary Revision.

Ottawa, June 15.—(Special.)—Mr. Lennox (S. Simcoe) pressed his bill to-day respecting the judges of provincial courts. It forbids the judges to act as arbitrators.

Mr. Aylesworth opined that the bill, as drawn, would add nothing to the law of last session.

The greater part of the afternoon was consumed in discussing Mr. Aylesworth's bill respecting penitentiaries. It seeks to modify and revise the existing statutes relating to the various penitentiaries.

Toronto Canoe Club.

Invitations are out for the Toronto Canoe Club's annual regatta, which takes place a week from to-day, June 23. This is always the aquatic event of the season on Toronto Bay, and this year's arrangements point to by far the finest regatta in the history of the club. The committee in charge has laid out plans for the entertainment of its guests, so that there will not be one dull moment from the start of the first race at 2.30 until the orchestra finishes the last strains for the dance at 11.30. During the waits between races, which have been the only features of these events that were apt to tire the onlooker, arrangements will be made to have a military band placed on a large float out in the front of the club house, which will supply all up all gaps with music of a kind most suitable to the occasion.

Don's Spring Regatta.
