Toronto Woman Gains Fifteen Pounds in Three Weeks' Time and Feels Like New Person Since Taking Tanlac.

"In just three weeks' time, Tanlac has relieved me of indigestion, neress and general weakness and added fifteen pounds to my weight," I began to improve immediately, and by Toronto, Ont.

About eight months before taking Tanlac I got into a badly rundown condition. My appetite was so poor I didn't eat enough to keep up my strength, and my stomach was so out of order even the little I did eat caused more harm than good. the luxury taxes has had a salutary effect, according to advices received by the Government. Already business is showing signs of improvement. The unemployment situation continues bad, but there is every hope that the next week or two will see the worst of it over. At a special meeting of the cabinet council held this afternoon there was a long discussion of unemployment problems and details were considered of the proposed plan of assistance, in co-operation with provincial and municipal authorities.

The Government, it is understood, has already been notified by a leaves. OTTAWA, Dec. 23 .- Cancellation of

MT. BRYDGES OPENED

MOUNT BRYDGES, Dec. 23.—Official opening and dedication of the new Community Memorial Hall, erected in honor of the men and women of Caradoc who took part in the great war, took place today. The official act of opening the building was done by Hon. Manning Doherty, minister of agriculture. Major Rev. Graham conducted the dedicatory services at the unveiling of a bronze tablet, on which 160 names are inscribed, including 30 who paid the supreme sacrifice. Brief addresses were made by J. G. Lethbridge, M. L. A.; Duncan Ross, ex-M. L. A., and John Stuart, county clerk, of London.

The building, which has a seating capacity of 400, was filled to capacity. Delightful musical selections were provided by Mrs. Dr. McDougall, Miss Alice Trott, Capt. ST. THOMAS, Dec. 23.—Orders have been received from the general manager's office in Detroit that the M. C. R. car shops, which were directed to be closed during 'Christmas and New Year's holidays, will be shut down until further notice. No reason has been assigned for this unexpected and drastic move of the management other than that the reduced volume of business on the line has compelled a further reduction of the staff of men in the local departments. departments.

The employees are looking for a more satisfactory situation in the railway traffic after New Year's.

NOMINATIONS ON MONDAY. WINDSOR, Dec. 23.—Civic nomina-tions for the cities of Ford and Walk-erville will take place on Monday, and voting on the first Monday of the New Year.

WALKERVILLE, Dec. 23.—Two of the present aldermen are running for the office of mayor. They are A. Leishman and Charles Stodgell, and up to the present the race for the mayoralty is confined to these two candidates. Ald. R. Calderwood, H. Whitmore and O. Stephens are standing for re-election as members of the city council.

FORD CITY, Dec. 23.—In Ford the entire personnal of the 1920 city council are standing for re-election, and to date no announcement has been made of any opposition in the field. Unless this develops before Monday (nomination day), it is not expected that there will be an election, all offices being filled by acclamation.

FORTY-NINE NOMINATIONS.
CHATHAM, Dec. 23.—One of the most unique and interesting nominations for civic office took place here today, when four candidates were nominated for the mayoralty, thirty for aldermen, eleven for the board of education, three for the board of water commissioners and one for the public utilities commission.

Of the 1920 council Ald. Mindorff, Harrington, Fitzsimmons and Moore will seek re-election, as will also Ald.

Three of the retrieve Newkirk if he decides not to enter the mayorality race.

Three of the retiring members of the board of education, W. J. Easton, W. W. Turner and F. W. James are being persuaded by their friends to run for another term.

George W. Wands, chairman of the public utilities commission, was reelected by acclamation.

THREE-CORNERED FIGHT. SARNIA, Dec. 23 .-- A three-cornere saknia, Dec. 28.—A three-cornered fight for the 1921 mayoralty was presaged at the nomination meeting held in the city hall tonight, when three candidates, Ald. Robert Kirby, Ald. George Crawford and Dr. J. G. Morrison, were officially nominated.

The board of education will have the following: T. F. Towers, J. B. Williams, H. F. Holland, W. T. Goodison, Fred Cowrie, R. Durnsford, J. E. B. Phelps, H. T. McGibbon, Rev. John R. Hall.

MAYOR RE-ELECTED.

OWEN SOUND, Dec. 23.—Roland

Owen Sound by acclamation today. Ald.

also nominated, but withdrew.

PORT STANLEY.

PORT STANLEY, Dec. 23.—Nominations for reeve: Dr. G. H. Jackson, N. S. Cornell, A. R. Going, T. A. Stevens, For councillors, W. T. Bell, W. T. Black, Chas. Finlay, Frank Fraser, W. Eastwick, G. Grimmond, Ben Nicholas, A. J. Nicholas, A. McDonald, T. A. Stevens, For school trustees: Mrs. C. Cromwell, Mrs. A. J. Nicholas, Mrs. A. McDonald, Ben Nicholas, Geo, Williams.

SEVEN FOR MAYORALTY.

INTCHENER, Dec. 23.—Kitchener will have a keen contest for the mayoralty. Mayor Eden and Ald. Charles Greb will be the contestants. While five others were nominated at the nomination meeting in the evening, it is not probable that any of these will remain in the field. Mr. Eden has been mayor for one year, but he has been mayor twice previously. During the past year considerable opposition has developed to him, it being claimed that his administration has been too "one-man" like. The other nominees for mayor are A. P. Plummer, C. C. Hahn, Ald. W. Hart-Tung, Ald. C. Massel and J. E. Hett.

Forty-seven were nominated for the council, and it looks like a lively race. There will probably be contestants for the light commission, the water commission and the public school board.

FOUR FOR REEVE. POINT EDWARD, Dec. 23.—Nominations took place here today as follows: For reeve—P. R. Bray, J. Mo-Millan, W. Barrett and J. Mara.
For Councillors—R. Blackwell, W. Darbyshire, A. McLacklin, W. Barrett, J. Leckie, J. Mara, C. Beach, F. Blackwell and J. Jack.

st. THOMAS, Dec. 23.—The final meeting of the city council will be held next week, when the remnants of business remaining over will be disposed of and the aldermen separate unless an extraordinary session be called before the day of election.

The entire council will again offer themselves for another year's service, and it is very probable the majority of them will be returned. There has been no outward sign of disfavor shown them by the people who supported them last January. The members of the board are all looking forward to a reunion of themselves and an indorsement of their doings by the voters. Outside of the old themselves and an indorsement of their doings by the voters. Outside of the old regime there is no knowing who may throw his chapean over the fence for a fight on the green. As the act has now dispensed with a property qualification of the candidates Mayor Brinkman will not be exposed.

25 WOULD BE ALDERMEN. OWEN SOUND, Dec. 23.—Twenty-ive candidates were nominated this five candidates were nominated this evening for twelve seats on the city council, and eleven for four board of education seats. John Parker was relected by acclamation as public utilities commissioner, and Mayor Roland Pattemon, while not the only nominee, is certain of a second term unopposed. This was the first nomination held under the new regulation, which provides for holding the election on New Year's Day, and another new departure was made in having all the nominations except those for mayor made in the evening. It worked out well, for more than usual interest was shown by the electors, a large crowd being present.

The following were nominated:
For Mayor—Roland Patterson, William T. Harris, C. H. Thompson. E. W. McQuay, John Calcutta, Richard Carbert C. H. Thompson C. H. Thompson. E.

For Aldermen—John F. Thompson, E. W. McQuay, John Calcutta, Richard Corbert, C. H. Thompson, D. A. Christie, Freeman MacRobert, E. D. Bonnel, Thomas Willoughby, John A. Peacock, W. E. Dickin, E. C. Scarrow, M. D. Lemon, W. R. Clendenning, M. R. Duncan, W. T. Harris, Keith Webster, R. H. McWilliams, J. H. Brownlee, James McNell, Charles McLennan, T. D. Kennedy, Johnston Little, Thomas H. Hall, T. J. Harkness.

For Public School Trustees—A. D. Creasor, Richard Howey, George Menzles, Mrs. Maria Armstrong, David R. Duncan, Robert G. McKay, John McQuaker, R. P. Reid, A. L. Danard, C. S. Cameron, John G. Hay.

minior assistance, in co-operation with provincial and municipal authorities.

The Government, it is understood, has already been notified by a large number of local authorities of their desire for federal co-operation. Two provincial governments—Ontario and British Columbia—have taken a similar step.

What the cost of the scheme to the federal treasury is likely to be there is as yet no reliable data available but the prediction is expressed in federal circles that the cost will not be large. In its statement of policy issued ten days or so ago the Government land down the principle that the first step in dealing with unemployment should be the provision of work rather than of relief, and that the primary obligation for the provision of work rather than of relief, and that the primary obligation for the provision of work rather than of relief, and that the primary obligation for the provision of work rather than of relief, and that the primary obligation for the bounding of the cost provided the provincial and municipal governments met the other two-thirds. Such a policy—in its instence on the provision of work as a first step—will, it is argued, very considerably reduce the charge which might otherwise be incurred by the federal treasury. It is expected that there will be a further announcement by the federal government in regard to the unemployment system.
