#### O. H. A. Annual; Financial Report Is the Best Ever

Dwight J. Turner presided at the annual meeting of the O.H.A. in the Temple Building on Saturday morning, when the following officers were elected for the

President-L. Blake Duff (accl.). Vice-president-H. Wettlaufer, Berlin

Second vice-president-C. Farquharson, Stratford (accl.).
Secretary-W. A. Hewitt, Toronto (accl.).
Treasurer-Dr. W. G. Wood, Toronto

Executive council—J. Dyment, Barrie; Dr. A. McPherson, Peterboro; A. F. Barr, Whitby, and K. Casseiman, London.

Secretary and Acting Treasurer W. A. Hewitt read the financial report, which showed a balance of \$2395.97, the largest in the history of the association.

The statement of the executive committee indicated that & teams were entered in the three series—five in the senior, fortynive in the intermediate and thirty-eight in the junior.

in the jumor.

Several amendments to existing rules were then brought forward for discussion. Rule 23, which formerly read that the treasurer shall furnish bonds in a guar-antee company for \$1500, was changed to antee company for \$1500, was changed to \$3000, the association paying the premium. W. A. Hewitt's amendment to Rule 10 of the regulations dealt with the statement often made by secretaries of clubs that they had not received protests within the correct time. His suggestion that if the evidence could show that the protest had been sent by registered post in time to reach the protested club, it should be considered, was adopted by the meeting.

time to reach the protested club, it should be considered, was adopted by the meeting.

A motion introduced by W. R. White, London, that every player in the junior series should file with the secretary a declaration that the player had not attained his 19th birthday on the first day of January, instead or the 20th, as the rule now stands, gave place to some discussion. J. Hoss. Robertson said that, sooner or later, a change must come, but he thought that the amendment should be amended so as to allow the change to stand over till next year. This suggestion was agreed on, and the change will not be operative until next season.

Rule 5, in competition rules, calling for a notice of thirty-six hours to the secretary of the association in the event of competing clubs failing to agree on the appointment of a referee, was changed to read seventy-two hours.

Rule 4 was also amended to read that each captain must wear a four-inch armlet (distinctive in color from his sweater) on the right arm, so as to distinguish him from the other players.

J. Ross Robertson, in introducing an amendment to add the following clause to rule 13, that if, in the opinion of the referee a defending player has deliberately committed a foul to prevent a score, he shall not stop the play until that play has been completed, said that a similar rule had been introduced into lacrosse with great success. The amendment was unanimously carried.

Rule 16, which states that should any player be injured or from any accident compelled to leave the ice, the opposite to

The motion by Dwight J. Turner that the secretary's honorarium for this year be \$400, was adopted. Following the elec-tion of officers, Mr. Duff thanked the delegates for the honor tendered him, and J. Ross Robertson proposed a vote of thanks to the retiring president, Dwight J. Turner, to which the latter briefly re-

Pioneers Also Champions.

The Ploneers won the championship of B Division of the Intermediate League on Saturday by defeating Don Albions. The game was played at Stanley Barracks by the courtesy of those fine sportsmen, the soldiers, Sergt. Carpenter and his merry men also turning out in force to witness. the game. There was also a large crowd of the clubs' supporters present, who made themselves feard in no uncertain style. The Pioneers and Abbions have been running a neck-and-neck race all the season, only one point being between them every week, so it was easy to understand the systement that the same caused, and the excitement that the game caused, and to the credit of both teams let it be said there was no dirty or rough work introduced, only about half a dozen fouls being given thru the entire game. There was a strong flavor of championship form about the Pioneer team's display. they were on top, had an excellent oppor-turity of scoring two goals, two penalty kicks being awarded them, the first of which was shot yards wide of the post, and the second Maycock brilliantly saved. Lang in One Class Only.

The Irish-Canadian Athletic Club are going to make a strong bid for the Ontario boxing championships, and on Saturday entered men in all the classes but the 135-pound and the 158-pound. Hilliard Lang has decided to confine himself to his own class, viz., the 145-pound, with the intention of giving the United States contestants in that division his very best efforts. With Hilliard out of the 158-pound class there should be great competition between the local middleweights ,who are both numerous and clever. The British United Club have entered boxers in every class, and the West End A.C. has six men.
