### Live Stock Market

Recsipts of live stock at the Union Stock Yards yesterday consisted of 33 cars—353 cattle. 428 calves, 814 hogs and 11 sheep and lambs.

Trade was steady to firm at prices practically the same as those obtained on Monday, butchers' cattle selling at from \$11.25 to \$11.50 for choice. One lot of 14, average weight 1000 lbs., was sold by Dunn & Levack at \$12 per cwt.

Cows and bulls were without change, both selling at prices as quoted below.

Trade in stockers and feeders was very quiet, very few cattle of this class being on the market; prices, however, held steady with Monday; 21 feeders, 1000 lbs., each, sold at \$7.50; one lot of mixed steers and helfers, 600 to 700 lbs. each, sold at \$7.50; real good grass cows sold at \$7.50 to \$8, and medium cows at \$7.50 to \$8. Milkers and springers were firm and sold at \$70 to \$127.50 each; 1 choice, purebred Holstein springer sold at \$200, and 1 at \$150.

bred Holstein springer sold at \$200, and 11 at \$150.

There were only 11 sheep and lambs on the market; they were in strong demand at prices as quoted below.

Calves: were fairly steady with last week's decline in price, choice selling at 12c to 13½c lb.; medium at 3½c to 11c, and common at 6c to 8c lb.

Hogs—Only 814 were on the market. Packers were bidding from \$16.25 to \$16.50 for fed and watered. The writer knows of several lots that were sold at \$16.50, and none at the lower price. He also knows of \$16.50 being refused for fed and watered. watered.
Some buyers for big firms here are paying \$16 and over for hogs in the country, and, as packers tell us that the difference between the country price and the fed and watered price is from 75c to \$1, we cannot understand how they expect to buy fed and watered hogs at \$16.25, or even \$16.50, on this market.
