the four weeks following the previous test period.

The news of the solution of the crisis, for the time being at least, evoked loud cheers in the house of commons, this afternoon when Sir Herbert Horne, the president of the board of trade, announced the success of the negotiations.

YEAR AND A HALF

FOR LORNE HELMER

The resolution was carried by a show of hands, there being only some half a dozen dissentients.

Reviews Financial Position.

Sir Henry, in reviewing the financial position of the Dominion, pointed out that a favorable trade balance of \$151,-000,000 in the first half of 1919 had been turned into an unfavorable trade balance of the same amount in the first half of 1920. With the existing difficulties in the way of marketing the crops overcome, which would involve an influx of new money to the extent of over \$400,000,000,000, the position would change almost over night, said Sir Henry.

KHIAM Contradicts.

Ottawa, Oct. 28.—(By Can. Press.)—The organization in Canada of an efficient and business-like bureau of overseas trade is urged by J. H. Wilkie, who has recently resigned his position with the government as a member of the Canadian trade commission, and who is leaving the government service Oct. 31. Mr. Wilkie declared that in order for Canada to hold the foreign trade she had obtained during the war, it will be necessary to have the trade and commerce department made a living organization. The amount allowed by teh government for the period out that a favorable trade balance of \$151,-000,000,000 in the first half of 1919 had been turned into an unfavorable trade balance of \$151,-000,000,000 in the first half of 1919 had been turned into an unfavorable trade balance of \$151,-000,000,000 in the first half of 1919 had been turned into an unfavorable trade balance of \$151,-000,000,000 in the first half of 1920.
