## PEOPLE OF NOTE

King of Siam

His Majesty King Chulalongkorn 1st of Siam, who has so recently been interesting Europe with the splendor of his crown jewels and the extravagance with which he has been spending the royal income, was born on September 21st, 1853, and is the eldest son of the late King Maha Mongkut, whom he succeeded upon the throne on October 1st, 1868. King Chulalongkorn is a tall and fine looking specimen of an Oriental monarch. Recently he celebrated his birthday in Germany and the people of various cities were treated to wine and good things to eat at his majesty's expense. He has a number of wives of whom, however, only one has the rank of Queen.

## Invalid Ladies
### This Is For You.

There are thousands of females who suffer untold miseries common to their sex.

This is largely due to the peculiar habits of life and fashion, and the improper training of girlhood. Then, too, the physical changes that mark the three eras of womanhood (the maiden, the wife, and the mother) have much to do with her sufferings, most of which are endured in silence, unknown by even the family physician and most intimate friends.

To all such whose hollow cheeks, pale faces, sunken eyes and feeble footsteps, indicate nervousness, palpitation of the heart, weak, faint and dizzy spells, we would earnestly recommend a course of Milburn's Heart and Nerve Pills.

Mrs. Jos. Sharp, Brighton, Ont., writes: "I was troubled with palpitation of the heart, weak spells and nervous trouble, and found no relief until advised to try Milburn's Heart and Nerve Pills. I got one box and that helped me so much I sent and got five more. I am now cured completely."

**Milburn's Heart and Nerve Pills are 50c. per box or three boxes for $1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.**

### RIDDLES AND ANSWERS.

On yonder hill there is a mill, and in that mill there is a wheel; and now it goes and now stands still.
(Tongue in a man's head.)

It goes up the hill and down the hill, yet it never moves, but stands quite still.
(A road.)

It opens like a barn door,
It shuts like a trap;
You may guess all day,
But you can't guess that.
(A corset.)

What is that which every one can divide, yet no one can see where it was divided?
(Water.)

The Owl—What do you think of Mr. Robin's new home?
The Sparrow—It looks very nice, but I've only taken a bird's eye view of it.
