SHRINERS PREPARE

FOR CONVENTION

Seattle, Wash., May 26.—Forty New Perce Indians in native costume, travel from their reservation in Idaho by special train, will take part in the 1915 Shrine convention in Seattle in July as the result of efforts made by the Lewiston, Idaho temple. In addition to the Indians, numerous other features have been scheduled. Lu Lu Temple, of Philadelphia, will take its famous patrol of fifty trained horsemen across the country. Moslah Temple, of Fort Worth, Tex., has arranged to take a careful of panthers across the continent to the extreme northwest to advertise the "panther city." Five canals will be sent from one of the Missouri temples, and Moslah temple, of St. Louis, has prepared a captive balloon with 10,000 cubic feet capacity, which it will take with it.

The Shriner have named their own chief of police and have organized a

body of 200 who will work with the Seattle blues under direction of the shrine chief.

The City of Seattle and the local electric company have donated 50,000 additional candle power for one of the main thoroughfares, and \$2,000 additional for three other avenues for use in night displays of flashing lanterns, crescents, stars, sphinx heads, pyramids and other oriental designs, symbolic of the order. Several miles of electrically illuminated shrine emblems will glow by night along the principal streets.

Love's Labor Lost

"I had tough luck the other night."

"What was the matter?"

"I promised my wife to be home at 10 o'clock."

"And didn't get home until 2 o'clock, I suppose?"

"No, I was home at 9:30."

"I don't see any tough luck about that."

"My wife was fast asleep and I didn't get any credit for making good."

Mr. Deal, an undertaker, was never at a loss for an answer when any one attempted to poke fun at him or his profession. One day a would-be wit, meeting him, remarked:

"Tours must be a gruesome business, Mr. Deal. I suppose undertakers never see a man without wishing him dead?"

"You are mistaken," replied the undertaker. "I know some people whom I would be perfectly willing to bury alive!"

Kidney Trouble?

The waste material which the kidneys are intended to remove from the blood, if allowed to accumulate in the system, poisons the blood and thus produces deleterious effects.

If from over-work, exposure to cold, or some local injury, the kidneys become congested or inflamed and cannot perform their functions, the system becomes filled with uric poisons.

Whenever a dull, heavy pain is felt over the region of the kidneys for any length of time, accompanied by a yellow complexion, loss of appetite, decrease of weight, and a puffy condition under the eyes and in the ankles, a chronic inflammation of the kidneys must be suspected, and if not relieved promptly chronic Bright's Disease will certainly develop.

Abbey's Effervescent Salt, sold everywhere at 4c and 6c, which is a Diuretic as well as an Aperient, will carry out of the system the poisonous material which the kidneys cannot get rid of, and will relieve the congestion of the kidneys.

What Thin Folks Should Do

To Gain Weight

PHYSICIAN'S ADVICE FOR THIN, UNDEVELOPED MEN AND WOMEN

Thousands of people suffer from excessive thinness, weak nerves and feeble stomachs who, having tried advertised flesh-makers, food-fads, physical culture stunts and rub-on creams, resign themselves to life-long skinniness and think nothing will make them fat. Yet their case is not hopeless. A recently discovered regenerative force makes fat grow after years of thinness, and is also unequalled for repelling the waste of sickness or faulty digestion and for strengthening the nerves. This remarkable discovery is called Sargol. Six strength-giving, fat-producing elements of acknowledged merit have been combined in this peerless preparation, which is used by prominent people everywhere. It is absolutely harmless, inexpensive and efficient.

A month's systematic use of Sargol should produce flesh and strength by correcting faults of digestion and by supplying highly concentrated fats to the blood. Increased nourishment is obtained from the food eaten, and the additional fats that thin people need are provided. Leading druggists supply Sargol and say there is a large demand for it.

While this new preparation has given splendid results as a nerve-tonic and Vitalizer, it should not be used by nervous people unless they wish to gain at least ten pounds of flesh.

Men will on application be submitted to a preliminary medical examination and will be furnished at once with transportation to Sussex, where the 55th Regiment is now in camp. On reaching Sussex they will undergo the final medical examination and will if satisfactory be placed immediately upon the pay roll.

The conditions are as follows:—

THE VOLUNTEERS

THE PERIOD OF ENLISTMENT is for the duration of the war and for six months after termination if required.

THE RATE OF PAY is \$1.10 per day and found for seven days a week, equal to \$33 per month.

IF DISABLED, the soldier will receive a pension at such rates as may be fixed by the Government.

IF WOUNDED OR ILL, the soldier will be well cared for and sent back to his home at the proper time.

THEIR FAMILIES

SOLDIERS MAY ASSIGN any portion of their regular pay to wives or others, and such sums will be paid regularly to the persons so designated.

WIVES OF VOLUNTEERS will receive twenty dollars per month separation allowance from the Canadian Government over and above the soldiers pay.

THE PATRIOTIC FUND will supplement this with an additional allowance as described hereafter.

SHOULD ANY OF THE SOLDIERS BE KILLED their wives and children will become wards of the Canadian Government, and generous provision will be made for them.

The National Patriotic Fund Committee has decided on a basis of distribution of funds among the wives and children, and other dependents of volunteers. It is estimated that a wife on her own account requires Thirty Dollars per Month for her maintenance. The Canadian Government provides Twenty Dollars per month of this amount and the Patriotic Fund the remaining Ten Dollars. If required, Children between ten and fifteen years of age are allowed twenty-five cents per day; from five to ten years of age, fifteen cents per day; and under five years of age, ten cents per day. This a wife and three children of the ages of three, seven and twelve, may receive a total monthly allowance of Forty-five Dollars, of which Twenty Dollars is payable by the Canadian Government and Twenty-five Dollars by the Patriotic Fund. This is of course in addition to the Thirty-three Dollars per month paid to the soldier, and which may be assigned by him to his family.

Besides the above, provision is made for a compassionate allowance for temporary extraordinary need, such as accident, sickness, etc. In short, the whole purpose of the Patriotic Fund is to supplement the Government allowance as to provide all reasonable comfort for the families of men on service. Such provision, in each individual case, is subject to the report of local committees, who shall consider all the circumstances of families affected, with respect to the earnings of members of such families, amounts received from former employer of the soldiers, and other sources of income.

Every reasonable provision is thus made for dependent relatives, and volunteers need have no anxiety regarding the welfare of those left behind.

Who Will Enlist? Please Apply at Once to the Recruiting Officer Nearest Your Home.
