**MOTORMAN'S ACTION  
SAVES TWO LIVES**  
Woman and Boy Narrowly  
Escape Serious Injury in  
Main Street.

The prompt action of a street car  
motorman averted a serious accident  
that might have had fatal conse-  
quences in Main street yesterday. The  
car was coming down hill when a lady  
crossed the track, leading a boy by  
the hand, the street car not being 20  
feet from her. She first failed to notice  
an automobile moving swiftly along-  
side the car, but when she did, she  
stepped back directly in the path of  
the oncoming car, jerking the boy with  
her. The motorman, Sidney Bishop,  
jammed on his brakes and managed to  
stop the car only a few inches from  
the lady and the boy. It was a nerve-  
racking situation, but was handled  
with promptness and passengers  
warmly congratulated the motorman  
for his skill in bringing his car to a  
stop in such a short distance and there-  
by saving the two persons from serious  
injury.

**NANCY WILLIAMSON  
WINS MAYES MEDAL**

Makes Highest Marks in Albert  
School in High School En-  
trance Exams.

Much interest was evidenced in the  
announcement of the High School en-  
trance marks on Monday and atten-  
tion has been drawn to the fact that  
Nancy Williamson, daughter of J. S.  
Williamson, West Saint John, won the  
highest marks in the New Albert  
School, and is therefore entitled to  
the Mayes gold medal offered for this  
distinction. She made an average of  
81.8. No official announcement has  
been made as yet. Miss Nancy, who is  
now 14, won the Mayes prize of a five  
dollar gold piece when she went from  
Le Tour Albert School. She was also the  
winner this year of the J. O. D. E. history  
prize given by the Board of Education.  
Her brother, Harold, won the Mayes  
gold medal when he went from Albert  
School into the Saint John High School  
in 1923.

**Sackville Woman  
Dies in Saint John**

Mrs. Sarah Goodwin, widow of  
Christopher M. Goodwin, of Sackville,  
died this morning at the home of her  
son, Charles W. Goodwin, of 199 St.  
John street, West Saint John, aged 71,  
leaving to mourn five sons, Charles W.  
residing since the death of her husband  
three years ago; Arthur, of West Sack-  
ville; Lerne V., of Amherst, N. S.;  
Hedley, of Taunton, Mass.; and one  
son, Mrs. Annie Miller, of New Glas-  
gow, N. S. and three daughters, Mrs.  
Ick of Parraboro; Charles, of Oxford,  
N. S. and William, Mayor of Han-  
tport, N. S. Of granddaughters, she  
has five and four great grandchildren.  
Mrs. Goodwin was very active in the  
Anglican church in Sackville, and was  
recently after marriage, coming to Saint  
John when her husband died. The  
notice of the funeral will be given  
later.

**All Ready For  
O'Connell Picnic**

Preparations were being made at  
the East End grounds this morning to  
handle the large crowds of children ex-  
pected at the O'Connell picnic this af-  
ternoon to be held there for the chil-  
dren of Centennial, Allison, South End  
grounds and the East End. J. D.  
O'Connell was busy erecting the fence  
through which the children must walk  
to secure their candy, ice cream,  
oranges and peanuts. Miss Kathleen  
Lundy, supervisor of the East End  
ground, with Miss Beatrice Mooney,  
of Allison and Miss Katherine O'Neil,  
of Centennial, assisted by a group of  
leaders and Miss Mildred McCutcheon,  
special play leader are anticipating a  
very fine time on the affair. John  
Kimball and Fred Myles, the committee  
from the Playgrounds' Association are  
also taking an interest in the picnic to  
see that everything is as orderly as  
possible. There were 1,000 bags of pen-  
nents, candy in proportion and oranges  
stored at the grounds this morning. It  
was anticipated that pennies, bright  
and shiny, will be scrambled for by  
the kiddies as a grand wind-up to the  
annual event.

**Argument On In-  
Rothsley Tax Case**

Argument of counsel on points of  
fact and law in the case of the Village  
of Rothsley vs. Percy W. Thomson was  
commenced this morning before the  
Mr. Justice Crockett in the Circuit  
Court, and is being continued this  
afternoon. W. P. Jones, K. C., of  
Woodstock argued for the plaintiff,  
and H. A. Power for the defendant.  
The evidence in this matter was given  
at the trial two weeks ago. This is  
an action brought by the Village of  
Rothsley to recover taxes amounting  
to \$1,904, alleged to be due from the  
defendant for 1923.

**Fruit Co. Officials  
Are City Visitors**

J. Scott Ryder, assistant to the man-  
ager of the United Fruit Company of  
Boston, arrived in the city at noon  
today, en route to Charlottetown on  
business. He will then proceed to  
Halifax to meet the S. S. Andalusia,  
due next Monday. Mr. Ryder is ac-  
companied by "Banana" Bill Boyle,  
who has been in the city for a few  
days. Recently he underwent an op-  
eration in Bangor, Me., and for a time  
his condition was considered quite seri-  
ous.

**CUSTOMS MEN  
IN STIFF FIGHT  
WITH RUNNERS**

**Capture Motor Boat and 60  
Kegs of Red Rum at  
Black's Harbor**

**OFFICER IS KNOCKED  
FROM BOAT BY OAR**

**Three Trucks Bring Con-  
traband to City—One in  
Difficulty on Way**

A desperate hand-to-hand fight with  
run-runners in a motor boat, flying  
bullets, a search through thick, wet  
woods hampered by darkness and a  
dense fog, culminating in the capture  
of 60 kegs of red rum, and the final  
escape of the run-runners, pursued by  
customs officers, were among the stir-  
ring adventures experienced by the  
three local customs officials in their  
raid early yesterday morning on the  
Black's Harbor. The captured motor  
boat was used to convey the liquor to  
Beaver Harbor and it was then  
brought to this city by trucks and  
stored in Poole's warehouse. The  
motor boat was left in charge of the  
customs officer at Beaver Harbor. Each  
keg contained about 10 gallons  
of rum.

**LIQUOR LOCATED.**

Finally the first cache of liquor was  
located on the beach behind some rocks.  
A search of this vicinity, it is said,  
brought to light 22 kegs. The search-  
ers then moved over to the woods and  
several caches, all very thickly cov-  
ered with brush, were discovered. In  
all, 28 kegs were located in the woods.  
The largest cache, it is reported, con-  
tained 14 kegs.

**FIGHT IN BOAT**

One of the men landed from the boat  
and on sighting a customs officer he  
made a break for the neighboring  
woods. The other two men pushed off  
the motor boat as Officer Thompson  
got aboard. The run runner seized an  
oar and struck the officer with the end  
of it, knocking him into the water.  
He again clambered aboard, this time  
drawing his automatic revolver. The  
run runner jumped overboard and  
made a dash for liberty. The customs man  
sent three shots flying after him, it is  
said, and he thinks that one of them  
slightly wounded the fugitive.

**TRUCK IN TROUBLE**

Three trucks were used to bring the  
alleged contraband to the city and  
the trucks arrived last evening. On the  
way one of the trucks skidded off the  
side of the road and the entire truck load  
of "wet goods" had to be unloaded and  
the aid of several men from a passing  
automobile secured before the truck  
could be hauled back on the road  
again.

While crossing the highway bridge  
over the falls one of the kegs bounced  
off the truck and landed in the road.  
An automobile containing tour-  
ists happened to be following close be-  
hind this load of liquor but the cus-  
toms officers only smiled at the sugges-  
tion that they should not bother to  
stop and pick up one of the kegs.  
The tourists jokingly offered to see that  
it did not remain and block the road.  
The keg went back again in the  
load, however, and the thirsty  
tourists continued on their way. This  
time the goods were safely landed in  
Poole's warehouse.

**OFFICERS PRAISED**

Collector Lockhart said this morning  
that the rum was all contraband. He  
declared that the officers deserved great  
credit for their work. The boat, he  
added, had been seized and was in  
charge of W. McKay, customs officer  
at Beaver Harbor. No trace of the  
owners or any information as to who  
they or the men in the boat were  
owners of the liquor or any ferries,  
he said.

**Picnic Is Held By  
Corona Co. Staff**

The staff of the Corona Company  
Ltd., enjoyed a merry picnic last  
evening when 20 motored to the summer  
home of Miss Hazel Scott, at Golden  
Grove, where a delicious supper and  
dance were enjoyed. Baseball was  
played in the early evening, with the  
young ladies of the company surpassing  
and was taken to the grounds on a  
wheelbarrow to mark the respect in  
which he was held by the company.  
Dancing was participated in on the  
lawn and games enjoyed with Mr. and  
Mrs. A. B. Edwards, the manager of  
Corona and his wife as chaperones.  
They contributed much to the pleasure  
of the evening.

**Counts 46 U.S.  
Autos Passing  
In Half Hour**

AN INDICATION of the number  
of visiting automobiles in the  
province can be gleaned from a re-  
port presented to The Times-Star  
this morning by a resident of  
Rothsley avenue. He made a 30-  
minute check of the motor cars  
passing his place yesterday after-  
noon, and in the half-hour no less  
than 46 cars bearing U. S. license  
tags went by, or an average of  
three every two minutes. Most of  
the visiting automobiles were  
heading towards the city.

church. The officers of the club are:  
Miss Hazel McEachern, the president;
