Goat Travels On Auto Running Board

Greeley, Colo., Sept. 18.—Motor tourists no longer give up all the comforts of their homes when they travel through the west.

One party of travelers from North Dakota, which passed through Greeley, had a milch goat harnessed in what the animal seemed to regard as a comfortable position on the running board of their car. Members of the party explained they were accustomed to goat's milk, and that they saw no reason for doing without it because they were traveling. 141 Waterloo St. Phone M. 3457 lated Sugar\$1.00 Choice Orange Pekoe Tea
