URGE LENIENCY TO THE FARMERS

Finances of Manitobans Discussed—This Year's Crop Not a Debt Paying One.

Winnipeg, Nov. 3.—Utmost leniency to farmers of Manitoba who are in difficult financial straits was urged last night at a meeting of business interests, called by Hon. D. L. McLeod, provincial secretary.

The creditors' interests were of the opinion that the government should mediate between the debtor and creditor where cases of unnecessary hardship arose from undue pressure, and suggested the establishment by the government of committees at central local points for investigating cases submitted. Where these committees were unable to make satisfactory adjustment, the matter should be referred to the arbitrator, Mr. McLeod, for final action.

It was conceded that, although the crop this year was probably the largest in the history of the province, the cost of production and the low price obtained meant that all that could be looked for was the payment of liabilities incurred during the present crop year. This year's crop was not a "debt paying" one, and very little of the past debts could be liquidated as a result of its harvest.

IN MEMORIAM

JACKSON—In loving memory of our dear husband and father, George Jackson, who entered into rest, Nov. 3, 1922.

When evening shades are falling, And we are sitting all alone, To our hearts there comes a longing, If he only could come home.

One year has passed since that sad day, When one we loved, was called away; Good took him home, it was his will; Forget him? No, we never will.

PURITY FROST KIST BAR

Only 5c. Now

Hundreds of kiddies love this toothsome little Ice Cream Blend, with its Purify Ice Cream centre and Pure Milk Chocolate coating, yet so many of them usually have but five cents to spare that we felt a bit selfish in keeping the price at ten cents, so we've reduced it to five, to meet the wishes of the many little ones who would like more often to enjoy their favorite treat.

It's a bit smaller, of course, but just as delicious as ever. Ask Purify Dealers.

WHITE DEER SO STARTLES HUNTERS CANNOT SHOOT

Saranac Lake, Nov. 2.—The first Al- bino deer to be seen in Adirondacks this season has been sighted near Am- persand Mountain. Several hunters and others have seen the buck's ghostly outline and have been so startled by the strange creature they have been unable to raise their rifles to shoot.

Dick Disco was one of the hunters suddenly confronted by the white deer, and admits that it so unnerved him that he was unable to raise his rifle to his shoulder. Disco's story of sighting the white deer is corroborated by William Harrington, an observer on the mountain peak.

Another Nimrod saw the deer at

dusk of an evening. The animal, as it stood in the mark of the woods, ap- peared as though carved of marble.

CHINESE IS SHOT BY HOLD-UP MEN

Tom Lee, a Chinese, who runs a laundry at Dorchester and Carleton streets was shot in the back last evening by two men who entered his place of business and ordered him to throw up his hands. Tom refused to do this and started for the back of his shop whereupon one of them fired at him wounding him in the left side just above the groin. Becoming frightened apparently at the sound of the shot the hold-up men made their escape.

The Chinese was unable to give a good account of them which will make the work of the detective department much

more difficult. The affair occurred at about seven o'clock. The wounded man who wished to keep on ironing, was

taken to the hospital where his condi- tion is not regarded as being critical unless complications set in.
