THE SILVER BLACK FOX INDUSTRY

The story of the Silver Black Fox industry reads like a chapter from the Arabian Nights. It is a short story, yet a dramatic one. Based on fact it is as thrilling as a romance, in fact it is a romance realized; for, if to plant in poverty, and suddenly to reap in affluence is dramatic, then the story of its rise to one of the leading industries of the world is romantic.

The Imperial Silver Black Fox Company, Limited, St. John N. B., take pleasure in recommending to conservative investors shares in the company as an investment offering great possibilities for substantial dividends. A. C. Currie, 96 Princess street, secretary treasurer, Shares \$10 each.

The earth under a thin coating of snow is usually nine or ten degrees warmer than the air immediately above the snow.

IT'S A SMILE THAT WINS

Try One And See—Start With a Grin.

(Courtesy of Pictorial Review, August 1914)

And then the miracle! A motherly-looking woman with a bunch of gay roses in her hat snapped her fingers at the baby and smiled. The baby stopped crying. The motherly person tried it again. This time both her eyes and lips smiled and she nodded her head until the flowers on her hat danced. The expression of the baby's face changed from surprise and curiosity to open delight. It waved its hands. It talked in eloquent "gook" and "gurgles" to the mother. The mother's face and maternal pride appeared in its stead. Those who had no papers yielded frankly to the baby's conversational charm and their neighbors began to peer interestedly around the corner of their pages. By the time the baby was going through futile contortions to reach the nodding roses, the entire mental atmosphere of the car had been sweetened.

And this miracle had been wrought by a smile!

Million Dollar Mystery—Unique Patrons Have Chance of Making A Fortune—Admission Ten Cents.

Every picture fan in town is doubtless interested in the approaching serial story to be shown at the Unique beginning Monday. The splendid story in itself is worthy to arouse the interest of all, but an added feature is the ten thousand dollar prize which is being offered and which every patron has an equal chance to secure. For the best one hundred word solution to the Million Dollar Mystery the Thanet Company are offering a prize of ten thousand dollars, and from this solution the last chapter will be written and produced.

The diamond is one kind of crystal and coal is another. But, on the whole, though the diamond is beautiful, the world would rather give up its diamonds than its coal. More depends upon the coal-far more. Genius is as shining as the diamond; faithfulness to duty is often as dull as the coal to the eye. But it is the latter, after all, that helps the world most.

ABOUT YOUR OWN VIGOR

Sent Free to Men

MR. READER:

Here is something I have to offer you absolutely for nothing—a little private book of special information about the legitimate use and unusual abuses of manly vigor; about the preservation of manly strength and its possible self-restoration; an illustrated pocket compendium of 4,000 words, 73 pages and 30 half-tone photograph reproductions—which I can very pleased to send, by mail, absolutely free of charge, in a plain, sealed envelope, to any man, young or elderly, single or married, who writes for it.

Over a million of these books have been thus sent to applicants all over the world since my first free offer appeared. Publishers are charging as much as \$2 for books on sex subjects, while my book is free. Therefore, reader, if you would like a great fund of inside information relating directly to the subject of manly vigor, all put in perfectly plain, easy-to-read language, with many hints that you can surely apply to your own self, no matter how strong you may be, or how nervous or run-down you may be—if you want to know the facts about this particular subject, given to you in a single issue, then fill in the coupon below, send to me and receive my book, sealed, by return mail. In one part of this little publication I describe a mechanical invention of my own, which I call the SANDEN Vitalizer, something you wear at night as an aid to the restoration of lost or waning strength; but you are not expected to get one of these appliances unless you decide for yourself that you want one. The book is complete, and there is absolutely nothing you are required to buy or pay, either now or in the future. Therefore, please send your names and address today.

SANDEN, Author.

MANHOOD! The quality which rules the world today. My friend, there never was a time in the history of the human race when real, sturdy manhood, manly vigor and manly courage counted for as much as they do now, this very minute. No matter what your years, whether you are 30 or 60, you may be either entirely in the race or entirely out of it. It is invariably the fellow who proves up strongest in this human strength that forgets to the front, while weaklings stand aside; it is he also who is in most demand and most sought after by women and men of his community, simply because he radiates that marvellous magnetic line.

To Get Free Book Please Use Coupon

If you live too far to call, or if you cannot call, please fill in the coupon below and send it to me. You will receive free, sealed, by return mail, my 73-page illustrated book, containing 8,000 words, a complete compendium of useful information for men, young or elderly, single or married, who want the truth about the subject of vital strength, its preservation, its possible self-restoration and its legitimate uses and wastes abuse. You get it all free.

Manhood Wins in all Walks of Life

Manhood wins in all walks of life and rugged manly health can radiate. I believe any man can hope to completely restore or restore this same vigor or manly strength, no matter what his past follies may have been, provided he is willing to REALLY MAKE THE EFFORT; and provided, of course, he is not weighed down by extreme old age or is not incurably diseased. To my mind, the road of manly vigor is not weighed down or perfectly plain, but it is a road that any man MUST travel if he attains the highest ideals in respect to his own manhood. See information in my free book.

As to the SANDEN Vitalizer, previously mentioned, will say it is a little mechanical appliance, weighing but a few ounces, which you wear at night. This Vitalizer generates and sends forth a certain soft, penetrating force which I call Vitality. It drives this Vitality into your nerves, blood, muscles and organs as you sleep. It is quieting to the nervous system—or, at least, so users say. Men write that it takes pain out of the back often at once and restores vitality in 30 days. Remember, the general information of the free book is independent of this Vitalizer, and you are not expected to get one of these little appliances unless you want to. You can write me later as to that if you so desire. With special attachments, my Vitalizer is used by women as well as men for rheumatism, kidney, liver, stomach, bladder disorders, etc. If you live in or near this city I should be most pleased to have you call in person at my office, where you may see and test the Vitalizer free of charge. Hours—9 to 6; or if inconvenient to call, do not fail to write for the free booklet.
