Various causes—advancing years carelessness, disappointment, and hereditary predisposition—all operate to turn the hair gray and either of them inclines it to shed prematurely. Ayer's Hair Vigor will restore faded or gray hair, and read hair to its rich brown or deep black, as may be desired. It softens and cleanses the scalp, giving it a healthy action, and removes and cures dandruff and humors. By its use falling hair is checked, and a new growth will be produced in all cases where the follicles are not destroyed or glands decayed. Its effects are beautifully shown on brassy, weak, or sickly hair to which a few applications will produce the gloss and freshness of youth. Harmless and sure in its operation, it is incomparable as a dressing, and is especially valued for the soft lustre and richness of tone it imparts. It contains neither oil nor dye, and will not soil or color white comb; yet it lasts long on the hair, and keeps it fresh and vigorous.

A MAN OF A THOUSAND
When death was hourly expected, all remedies having failed, and Dr. James was experimenting with the many herbs of Calcutta, he accidentally made a preparation which cured his only child of Consumption. His child is now in this country, and enjoying the best of health. He has proved to the world that Consumption can be positively and permanently cured. The Doctor now gives this Receipt free, with full particulars, showing that even one can be his own physician, and prepare his own medicine, only asking that each remit two green stamps to pay expenses. This Herb also cures night sweats, nausea at the stomach, and will break a fresh gold in twenty-four hours.
