

THE EVENING GAZETTE published every evening (Sundays excepted) at No. 12 Charlotte Street, St. John, N. B. (Lancaster).

ADVERTISING: General advertising \$1 on each first insertion, and 50 cents on each subsequent insertion. Contractive by the year for advertisement, \$100.

THE UNIVERSITY EXTENSION. The meeting of the Institute last evening showed that there is not any very high degree of enthusiasm in this city on the subject of university extension.

Mr. Mercer, in effect, has paid a panacea for all the ills which weigh down the soul of the people. What is the end for which we are all working? It is not the battle against the liquor traffic, nor the emancipation of women, nor the English speaking process of Canada.

NOTE AND COMMENT. The conspiracy in Russia which has for its object the compelling of the Czar to grant parliamentary institutions to that country, will have the sympathy of the friends of free government throughout the world.

CREATING WOMEN. Continued from first page. out in the saloons, the crusade was the very heart of the temperance movement in this land, they were because of their ears was the sound which rung through the middle ages, "Dea Vult." They were because they could not help themselves, God called, and they heard his voice. They were to go forth, not to liberate as we are wont to say, but to dwell in place, but the dwelling place of most high God. The immortal soul was in the bonds of sin and darkness, liberally, calmly, yet with a divine enthusiasm, chose to suffer a affliction with the people of God, and the mighty work of that momenta choice stretches today from the Atlantic to the Pacific. Nay, more than that, it gifts the great world.

Herein lies the secret of all great power. The call is individual, the answer is individual, the suffering is individual. To each individual soul these come the moment when God's call is ringing in his ears to take his stand in the midst of suffering humanity.

When we see him who is invisible, as we go back to our work, we see not a landmark only in the poor road of his earthly journey, but a vision, a revelation, a new woman who is not a woman only in the sense that she has all that the world honors and we see Jesus Christ. Above, he is not at all so much so hopeless, so irretrievable, we endure as seeing him who is invisible.

GREAT PROPOSITION. THE EVENING GAZETTE ENCYCLOPEDIA BRITANNICA REVISED and AMENDED.

Our Ministers find it necessary to purchase many books, but only few of them find that they can afford to pay from \$150 to \$200 for an expensive Encyclopaedia. This is a progressive age. The Gazette offers the "Encyclopaedia Britannica, Revised and Amended," which is acknowledged to be the very best work ever published, in connection with a year's subscription to the paper for the small sum of 50 cents per week for one year.
