REORGANIZATION OF NEW HAVEN DISCUSSED

New York Chamber of Commerce Wants Disposition of the Company's Steamship Lines Left to Interstate Commission.

Washington, Jan. 7.—Reorganization of the New York New Haven and Hartford Railroad took a new turn today when a committee representing the Boston Chamber of Commerce presented the views of that organization on the whole transportation problem in New England to Attorney General McReynolds.

The Boston committee told Mr. McReynolds that it had no objection to a separation of the New Haven from the Boston and Maine, the Boston and Albany railroads and from its interstate trolley lines. But it was said to have taken the position that the question of the disposition of the New Haven's steamship lines should be solved by the Interstate Commerce Commission. The Panama canal act gives to the commission authority for such action.

The attorney general went over conditions in New England with the business men and discussed how a reorganization of the New Haven would affect that section. He told his callers he was anxious to better conditions and that all the department wanted was a restoration of competition.

FATALITY OF WHOOPING COUGH

Many parents think lightly of whooping cough, and treat it as a necessary evil, neglecting the child who has it any special attention. The seriousness of whooping cough was emphasized by the Medical Health Officer in Toronto a few months ago, when he reported fourteen deaths during the month from whooping cough, and only ten from scarlet fever, typhoid fever and measles combined.

PRETTY WEDDING AT CLIFTON ON THE EVE OF NEW YEAR

Miss Kathleen Northrup becomes Bride of Guilford Flewelling, of Perry's Point.

Clifton, Jan. 5.—A quite but pretty wedding was solemnized on New Year's Eve at eight o'clock at the residence of the bride's mother, when Kathleen, eldest daughter of Mr. and Mrs. H. R. Northrup, was united in marriage by Rev. C. G. Lawrence to Guilford Flewelling, son of Mr. and Mrs. E. A. Flewelling of Perry's Point. The bride who was becomingly attired in white with veil and wreath was given in marriage by her uncle, Mr. Burton Flewelling.

The bride received many presents including several substantial cheques. Mr. and Mrs. Flewelling will reside at Perry's Point. The monthly meeting of All Saints' Church Guild was held at the residence of Mrs. G. Howard Flewelling on Friday evening.

The monthly meeting of the Women's Institute will meet at Mrs. S. F. Flewelling's on Tuesday of this week, when they will discuss parliamentary law and the usage and the correct way to conduct a business meeting.

The residents of this place held a dance and basket party in the Public Hall here on New Year's night. Owing to the ice not being safe the horse races were held at Reed's Point instead of at this place on New Year's day. Mr. Boyd's horse of Hampton winning first prize, and Mr. Saunders of Gondola Point winning second.

Much sympathy is felt for Mr. and Mrs. Fred Scribner of Kingston in their recent bereavement of their only child, a little boy who died suddenly on New Year's Day of pneumonia.

The funeral which took place on Sunday morning at the parish church was very largely attended. Miss Bease Carmichael is spending her vacation, the guest of her parents, Mr. and Mrs. S. Carmichael.

The Misses Grace and Myrtle Shampine of Kingston left on Monday to resume their studies at the Provincial Normal School, after having spent the vacation with their parents.

CHURCH AT HARTLAND HAS BEEN RE-DEDICATED

Reformed Baptist Church has Undergone Extensive Repairs—Rev. E. C. Jenkins Receives Gifts.

Hartland, N. B., Jan. 6.—On Sunday evening after the communion service in the United Baptist church at Waterdale, Deacon William Cuberson, on behalf of the congregation, presented to their pastor, Rev. E. C. Jenkins, the sum of \$25 as a New Year's gift. Then at the Christmas season, the church at Avondale, also under the ministrations of Mr. Jenkins, presented him with a purse of \$30.

The Rev. Mr. Jenkins is a brother of Deputy Chief Jenkins of the police force in St. John, and is an earnest worker in the Baptist denomination. The Reformed Baptist church here, which has been undergoing extensive repairs was rededicated on Sunday evening. The house was filled with overflowing and powerful addresses were delivered by Rev. Mr. Traflet and others. The edifice is now one of the cleanest, best lighted and most comfortable places of worship in this section of the county.

The prize lists for the poultry show to be held in Lyric Hall on Jan. 28, 29 and 30, are now about completed and will be in the hands of binders in a few days. The prizes are generous and the prospects are bright for one of the best shows that has been held under the auspices of the association. The roads through the country are now in splendid condition and the farmers are bringing in large quantities of hay for shipment. The price for the pressed article runs from \$10 to \$12 for the better grades and the producers are well pleased with the ready market at those figures. The movement of potatoes is very slow, but with the milder weather anticipated, it is expected that the warehouses will again be flooded.

WOMAN WHO FIGURED IN FAMOUS MURDER TRIAL LOSES SUIT

Mrs. Steinheil, who Stood Trial for Killing Husband and Mother, Sued The Journal for \$20,000.

New York, Jan. 7.—The civil court today dismissed a suit for \$20,000 damages brought against The Journal by Mrs. Steinheil, the Parisian widow whose trial in 1909 for the murder of her mother and her husband caused a world-wide sensation. The cause of action was the publishing of alleged defamatory comment in the text of her memoirs.

The court awarded Mrs. Steinheil and her English publisher each 30 cents damages against The Journal, for non-fulfillment of its contract in publishing her memoirs in an abridged form. Each plaintiff had claimed \$10,000 damages.

Mr. Edward Paquette, Navas Centre, Ont., writes:—"One month ago my face was covered with pimples and a rash. I had tried a number of these so-called blood purifiers with no avail. Seeing an advertisement of yours in which you strongly recommend Burdock Blood Bitters, I decided to try a bottle, and after I had taken it I could see a decided change, and after using three bottles more all the pimples had completely disappeared."

BAD BLOOD IS THE DIRECT CAUSE OF PIMPLES.

Pimples break out on the face and body, and it is impossible to get rid of them, unless you cleanse the blood of all its impurities. Burdock Blood Bitters is without a doubt, the very best medicine for this purpose. This old, and reliable medicine has been in use for nearly forty years, and has a reputation unequalled by any other preparation for removing all the impurities from the blood and banishing the pimples.

Mr. Edward Paquette, Navas Centre, Ont., writes:—"One month ago my face was covered with pimples and a rash. I had tried a number of these so-called blood purifiers with no avail. SEIZED WITH EPILEPTIC FIT, FELL OVER WHARF AND WAS DROWNED

North Sydney Man Lost His Life in Harbor—Fell between the Pier and Tugboat.

North Sydney, N. S., Jan. 7.—A drowning accident occurred here this morning off Voocht wharf. A man named Enos White, who was standing near the end of the wharf, was seen to stagger and before assistance could reach him he fell overboard between the wharf and a tugboat moored there. He was assisted out of the water and everything possible to restore him but he died while being moved to his home.

The deceased was about thirty-five years of age and had been suffering from epileptic fits, one of which seized him as he stood on the wharf, resulting in his death. He is a brother of Charles White, the well-known North Sydney runner and athlete.

Manager of Dominion Coal Company Reports Things Dull, Just now—Optimism as to Future Prevails.

Sydney, N. S., Jan. 7.—Mr. D. H. McDougall, general manager of the Dominion Coal Company, accompanied by Mr. Whyte, mechanical engineer, returned to the city by this morning's express.

Mr. McDougall said he had been on a business trip in search of markets and new buyers for the company's huge output of coal. From what he had observed, during his trip, he could only conclude that the reports of the general slackness of trade were only too true.

While there seemed to be some optimism as to the conditions which will probably prevail in the near future, the situation at present was very quiet all over.

Mr. McDougall spoke most cheerfully of the outlook for the summer, which, he stated, would bring such a large amount of work as to ensure abundance of work in the mines of the Dominion Coal Company.

10 CENT "CASCARETS" STRAIGHTEN YOU UP

When headachy, bilious, constipated, stomach sour, breath bad.

Get a 10-cent box now. Turn the rascals out—the headache, biliousness, indigestion, the sick, sour stomach and foul gases—turn them out tonight and keep them out with Cascarets.

Millions of men and women take a Cascaret now and then and never know the misery caused by a lazy liver, clogged bowels or an upset stomach.

Don't put in another day of distress. Let Cascarets cleanse your stomach; remove the sour, fermenting food; take the excess bile from your liver and carry out all the constipated waste matter and poison in the bowels. Then you will feel great.

A Cascaret tonight straightens you out by morning. They work great when you sleep. A 10-cent box from the drug store means a clear head, sweet stomach and clean, healthy liver and bowel action for months. Children love Cascarets because they never gripe or sicken.
