## GAVE DATA ON THE PATRIOTIC FUND

Sir Herbert B. Ames in City Yesterday, Discussed Plans for Wiping Out Deficit and Meeting Future Requirements.

Sir Herbert Ames spent yesterday in the city in the interests of the Patriotic Fund. A meeting of the provincial executive was called for yesterday morning at which the Lieutenant-Governor presided, and Sir Herbert Ames submitted a number of facts and figures in regard to the requirements of the fund for the coming year. The matter of the threatened deficit in the fund for the province was also talked over.

Last night a dinner was given by Senator Thorne at the Cliff Club, which was attended by about fifty of the leading business men of the city. Sir Herbert went into the requirements of the fund very fully. He said that every battalion which was raised added a number of names to the list of those who had to be added from the Patriotic Fund, and it was estimated that at least \$1,000,000 per month would be needed for the coming year.

The province of Manitoba had undertaken to care for its share of the fund, which would amount to about \$3 per capita for that province.

He had just come from Nova Scotia and was satisfied that they would do their share.

New Brunswick was asked for \$500,000 for the coming year, and it was felt by those present that it would be forthcoming without any difficulty.

Those present at the gathering also took into consideration the deficit which now existed in the fund this year and it was felt that something should be done to wipe it out as it did not seem fair to ask the rest of the Dominion to pay our share of the burden.

Sir Herbert will leave this morning for Montreal via Moncton, and expressed himself as perfectly satisfied with the prospects in New Brunswick for the next year.

## POLICE WILL WATCH GIRLS ON STREETS

Those Found Unescorted After Nine O'clock at Night May Be Held to Strict Accounting.

Young girls who make a practice of frequenting the squares, burying ground and streets after nine o'clock at night and getting into conversation with soldiers and other men with whom they are not acquainted should heed a warning that for such actions they are liable to be gathered in by the police.

Last night a young girl was seen by a policeman sitting alone on a King Square bench, a short time after she was surrounded by three or four soldiers with whom she was not acquainted. The girl had joined in a merry conversation with the men, which was quickly brought to a finish by a policeman, who informed her that if she had a home to go to it would be better for her to proceed there. She quickly took the hint and saved herself from being taken to police headquarters to give an account of herself.

## FORMED COMMITTEES TO AID SOLDIERS

Charles Robinson, secretary of the returned soldiers' committee, made a short trip to Sackville and Dorchester yesterday with excellent results. He was more than gratified with the way the people of these towns took up the formation of committees, and he is satisfied that they will do good work.

At Sackville a committee was formed with Mayor Wood as chairman, members of the town council, H. S. Pethick, manager of the Bank of Nova Scotia; A. H. McCready, of the Sackville Tribune, as the other members. The Mayor has power to add, and it is expected that a ladies' committee will also be formed probably by the I. O. D. E.

From Sackville he proceeded to Dorchester, where he interviewed some of the leading men of the town. He succeeded in getting P. C. Palmer, of Palmer's Ltd., to act as chairman. J. H. Hickman, of Hickman's Ltd., will act on the committee, and Gesner A. Taylor, county secretary for Westmorland county, will serve as secretary. This committee will be added to and a strong ladies' committee will also be organized there.
