BRUCE McKELVIE

DIES SUDDENLY
Was Director of Nova Scotia
Steel and Coal Co. and Na-
tive of Summerside.

Montreal, Aug. 19.—The street was
shocked today by the sudden
death of N. Bruce McKelvie, a member
of the Boston and New York financial
house of Hayden, Stone and Co., and
better known as a director of the Nova
Scotia Steel and Coal Company, the
board of which he joined some three
years ago.
Private wires received here stated
that Mr. McKelvie died from a stroke
while bathing Saturday. He was a na-
tive of Summerside, Prince Edward
Island. He was a comparatively young
man, between 35 and 38 years of age,
and had a prominent place in the fi-
nancial field. Besides being a partner
of Hayden, Stone and Co., he was pre-
sident of the Butte Superior Copper
Company, the Alaska Mining Com-
pany, the Alaska Wright Martin Aero-
plane and other corporations.

LIBERTY 3 1-2'S
RISE TO 101.06
IN WALL STREET

Monday's Trading of Insignifi-
cant Character and
Very Dull.

CANADIAN PACIFIC
ADVANCES 2 POINTS

"Soo" Stock, St. Paul and New
Haven Road Are Also
Strong Stocks.

New York, Aug. 19.—Apart from a
new premium for Liberty 3 1/2's which
rose to 101.06, and the isolated strength
of shipplings and rails, today's stock
market was one of the most insignifi-
cant of the dull summer season.
News over the week-end, including
the further successful offensive of the
Allied forces and the progress which
is being made towards a solution of
the railroad contract dispute, evoked
only languid response from any quar-
ter. The usual leaders moved in a
very contracted radius, United States
Steel, for example, varying only the
smallest fraction until the final hour,
when it manifested a firmer tone with
associated industrials.

Inquiry for shipplings seemed to have
its origin in the belief that negotia-
tions for the advantageous sale of the
Maritime Marine Company's British
assets are approaching a satisfactory
conclusion.
Marine Preferred scored an advance
of 1 1/2 points, the common gaining a
substantial fraction and American In-
ternational Corporation one point on
the growing recognition of its ship-
building operations.
Rails were featured by Canadian Pa-
cific, which was unusually active at a
2 point advance, its subsidiary, "Soo,"
making a similar gain. St. Paul's and
New Haven held firm on signs of fur-
ther accumulation.
Utilities made additional recoveries
from the depression which accom-
panied the recent acquisition of the
telephone and telegraph companies by
the government and a few specialties
stiffened on publication of favorable
financial reports. Sales amounted to
172,000 shares.
The bond market was irregular, Lib-
erty issues contributing extensively to
the enlarged turnover. Total sales,
(par value) aggregated \$6,075,000.
Old U. S. registered 4's rose 1/4 per
cent on call.

PETROVA AT THE IMPERIAL.

Famous Russian Beauty in a Remark-
ably Fine Play—Other Features.

Madame Petrova's fourth starring
vehicle under her own management is
"Tempered Steel," which is being
shown at the Imperial again today.
Written by George Middleton, one of
the best known of the younger Ameri-
can playwrights, and directed by the
veteran pilot of screen luminaries,
Ralph Ince, the story in which Madame
Petrova makes her latest appearance
contains all the elements of romance,
suspense and rapid action which the
Polish star's many admirers have
come to associate with her name.
Beginning in the quiet atmosphere
of a sleepy old Southern town, the
narrative soon carries one to the heart
of New York's theatrical world, where
the struggle for success is as pitiless
as it is unceasing. In her character-
ization of the beautiful Southerner
struggling for recognition against hos-
tile forces, Petrova not only does the
best acting of her screen career, but
is given the opportunity to wear the
most extensive wardrobe of lovely
clothes in which she has been seen
since "Daughter of Destiny" was re-
leased.

In the remainder of its programme
the Imperial standard of excellence. There was
a splendid scenic, another instalment
of "The History of the War," a Drew com-
edy and Mutt and Jeff.

Tomorrow Wallace Reid will be
featured in the Harvard prize play,
"Believe Me, Xantippe!"—a breezy
comedy.

OIL AGREEMENT

Washington, Aug. 19.—Plans for the
stabilization of petroleum prices, re-
commended by the National Petroleum
War Service Committee in New York
last week were accepted today by the
fuel administration which announced
its belief that the agreement will pre-
vent any radical change in consumers'
prices of gasoline and other oil prod-
ucts.
