Business Education

—AT—

Eaton's Commercial College,

RITCHIE'S BUILDING, St. John, N.B.

EVENING CLASSES at this Institution are open for the Winter Season, thus affording young men an excellent opportunity of becoming acquainted with the duties of a Merchant, Banker, Agent or Book-keeper, where a good penman and scientific accountant may be required. The branches are those which must be employed in business, and our facilities for teaching these are so complete, and the whole course rendered so interesting and practical, that a person cannot attend a term at the College without being greatly benefited.

Writing Classes will be formed as applications are received, which will be under the instruction of Mr. I. C. Eaton, an experienced and accomplished Penman.

All Difficult Female Derangements, (almost invariably caused by a violation of the organic laws,) so prevalent to the American ladies yield readily to this invaluable medicine—the Quaker Bitters.

All Impurities of the Blood and diseases incident to the same always cured by the Quaker Bitters, if taken according to the directions.

The Aged find in the Quaker Bitters just the article they stand in need of in their declining years. It quickens the blood and cheers the mind, and paves the passage down the plane inclined.
