

Since the above date meetings have been held weekly and the membership has increased to 15 active and 12 associate, and a lively interest has been shown in the work.

Visiting committees have been formed for the different districts in connection with the church. These have been doing a good work visiting among the families in this part of the city.

Since the organization of the League the work has been progressing favorably and is now in a very encouraging position. The present officers are the same as were formerly appointed, with the exception of Mr. D. M. Horne, resigned, and Mr. A. E. Burch elected in his place.
