Service and Satisfaction

Now that the season of inclement weather has arrived The News Record is particularly desirous that the service rendered by its carrier boys shall be specially satisfactory. One of the laxities in service to be strictly disciplined is the failure of the carrier boys to place papers inside boxes or between doors, so as to protect the papers against snow and wet, which is equally annoying to failure to deliver the paper at all. Subscribers who have reason to complain on account of any laxity or courtesy in newsboys' service will confer a favor upon the publishers by notifying the News Record office.
