At the conclusion of the meeting of the Canadian and United States trade negotiators on Thursday afternoon, the following statement was given to the press by Hon. Mr. Fielding:—"The conference between the representatives of the United States and Canada on the subject of improved trade relations terminated to-day. The conference began on Saturday, the 5th instant, and was continued on Monday, Tuesday and Thursday. The whole discussion was of the most frank and friendly nature. While no conclusion was reached, the ground was cleared for a further conference, which will be held in Washington, probably early in January. The members of the conference, Messrs. Hoyt, Pepper and Foster, representing the United States, and Messrs. Fielding and Paterson, representing Canada, separated with the strong hope that on the resumption of the conference at Washington, an arrangement can be reached that will prove acceptable to people on both sides of the boundary line."
