

Good Bass and 'Lunge Fishing

may be had at almost any point of the Canadian Northern Ontario Railway north of Parry Sound. The Maganetawan River teems with gamy bass and the Pickerel and French Rivers are plentifully stocked with both bass and 'lunge. In all September the fish are in their best fighting form. The districts are new and the waters have hardly yet been fished. :: ::

"LEITH" SERGE

For a hundred years "Leith" Serge has been one of the bulwarks of one of England's best mills. As a satisfaction giver it has stood the test of time—in greater demand to-day than ever before.

When our Mr. Broderick was in England he secured the exclusive agency for "Leith" Serge for Canada.

Now we're ready to show it and sell it to those men who want a serge suit par excellence; a suit with richness of appearance and that will stand the maximum amount of wear without taking on that always regrettable glossiness.

No need to tell you that our faultless tailoring stands behind the peerless material in the object of satisfying you; no need to emphasize the fact that from measuring time until the final stitch is firmly in place "quality" is the watchword here.

The best indigo dye guarantees the staying qualities of "Leith" Serge; in four weaves, four weights and four shades and four prices—starting at **\$22.50**.

At each price each buyer will have value unsurpassed in Canada
