## Rules

Find the word which best suits the clue. The word begins with the letter above the clue you are dealing with. The number after each clue gives the number of letters in the word. When you get the word, try to find it in the box of letters. Circle the letters in the word. After all words have been found the quiz word will remain.

SUBJECT:

## Biko, Apartheid, & South Africa

Censured, and forbidden all communication by his government, former South African journalist, Woods, fled his native country so that he could voice his opinions of the apartheid system and the South African regime which he holds responsible for the death of Black leader, Steven Biko, and many others.
