Ottawa, May 12th, 1932.

Dear Mr. Collins,-

I have just received your letter of the 11th.

I had not heard of the subject matter of your letter before and am glad to have the information you give. It seems to me doubtful if the Government would go on if the proceeds of the sale would be so small.

George Wilson is down here and it is probable that I will see him.

Yours very truly,

L.M. St. B. Collins, Esq.,
