Ottawa 2nd February, 1905.

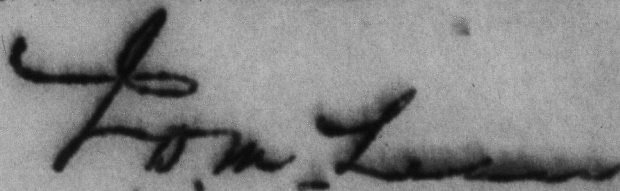

Sir,

I am in receipt of your letter of the 17th ultimo, with which you forwarded your cash book return for December; and in reply I beg to say that the transactions therein suggested regarding the purchase of heifers, etc, meet with approval. The transactions will, however, have to appear in your cash book.

I return herewith receipt marked No 6 for \$5.00 from Wellington Lee, as apparently it is a duplicate of receipt No 5, which you also sent with your cash statement. Opposite an entry in the return of the payment of \$5.00 to this man the receipt number 5 is shown.

I have also to inform you that the Department requires receipts for the following amounts entered in the return, viz:- \$23.90 and \$140.00, and for the payments ^{shown} opposite to which the following note is made:- "not in".

Your obedient servant.

Secretary.
