**MacDonald Urged  
To Take Wife  
By Bachelor PM**

Canada's 72-year-old bachelor Prime Minister, Mackenzie King, brought a round of laughter from his listeners during the farewell dinner tendered Rt. Hon. Malcolm MacDonald, retiring British High Commissioner to Canada and Governor-General designate of Malaya, last night at the Chateau Laurier.

He spoke of Mr. MacDonald's eligibility and youth and urged him to take a partner in marriage before going to Malaya.

The Prime Minister said he regretted not having followed the advice he was now giving.
