We then went to bed and at app 0020 hrs, the bell rang again and I went to the Sgt's ~~room~~ and informed him of this, I opened the window I called in Dutch and the Sgt called in Eng. Cross Examined

I did not leave the living room but I could see the accused Sullivan writing his note. I only heard the second soldier descend the last few steps before he left the house. I am not sure what the ~~accused~~ <sup>accused</sup> was wearing, From his eyes I was of the opinion that the accused was drunk, this was the second visit, on the third visit he was drunk.
