FOOTBALL

CHATHAM 1-DARRELL 0.

Chatham one, Darrell none — this was the result of the football game played on Decumb Park last evening, in the Peninsular League series for the Walker cup. This leaves Chatham with one gain and a draw, and Darrell the same, so the result of the eastern end of the league depends upon the next game entirely.

Yesterday's game was a good one, and the Chatham boys deserve a great deal of credit, playing as they did without any practice together. Harry Pritchard was a new man on the Chatham line-up. Harry is a Chatham boy, and has just returned from Toronto, where he has been studying law. He played a good game and figured largely in the goal which was scored. Griffin, of the Business College, also played a good game for Chatham on the half-back line.

Darrell, being in better shape, had the game almost all their own way except when it came to scoring. Time and time again Robert cleared neatly and was responsible for most of the cheering from the Chatham roomers. It was impossible to get the ball past him. About 15 minutes after play had started, Pritchard secured the ball and carried it on the inside right, half way down the field. He passed to Perry Parrott on the outside left, who immediately made a drop to centre and Lindsey Parrott scored. This was the only goal secured during the game.

Harry W. Anderson made a capable referee and performed his part to the satisfaction of both teams. Darrell, however, protested the game on Harry Pritchard, claiming that he is not a Chatham boy. It is not expected that anything will come of the protest, however, for everyone knows that Harry is a Chatham boy.

THE FOLLOWING WAS THE LINE-UP:
