WILLIAM RUSSELL is one of
and, at the same time, in-
English history. It has
formed a fruitful theme
eneration of historian, of
that the noble victim was
with the conspirators of
s not sought to deny, but
adduced that he was asso-
ciety. But he was the man
and vicious government
earnestness and vindictive-
at head must fall to tell
ul was the danger from
country had just escaped;
to strike down, what fame
the associate of Algernon
for his very virtues, was
the court.

William Russell was a cruel
prisoner was impeached he
judges had received their
rs; the prosecuting coun-
charge the prisoner in the
alignant manner; and au-
marshalled to swear away
el part of the proceedings
el to the prisoner, instead
al permission to employ an
orning of that memorab-
ed a striking appearance.
their robes of sullied ermine
rd in their bright uniforms
r bright dresses, and the
azing in jewelled coronets
y in the land had there a
was the curiosity excited
ot to act as amanuensis for
d have the courage to be-
common object of hatred
ministers. What must have
efore, when the beautiful,
Lady Rachel Russell en-
t the table by the side of her
urmur of admiration and
ugh the court, and many a
lence which followed upon
ty and surprise. Through-
