THE EMPORIUM HORSE.

ANGLO-SAXON, THE

KING OF CANADIAN STOCK HAS TAKEN four first prizes as the best Roadster or Carriage Horse; also two Prince of Wales Prizes and the Gold Medal, as the best Horse of any age or breed, which are the highest honors that have ever been placed on any animal in Canada. His Stock has taken the 1st 2d and 3d Prizes at recent Provincial Exhibitions. It is admitted that we cannot import a more suitable Horse for the improvement of our Stock. He is now 9 years old from the Cleveland bay and blooded Stock. In him is combined the action and appearance of one, with the muscular hardness and docile temper of the other. He is of a dark bay color, having black legs, mane and tail; stands 16½ hands high, weighs 1,350 pounds, and is the most perfect, and most useful horse ever owned in Canada. He will undoubtedly enhance the value of our stock many hundreds of thousands of dollars. \$20,000 has been conditionally offered for him; 2,000 acres of land have been refused for him, and \$100 have been offered for his services by American gentlemen. \$1,200 has been refused by Mr. McNish, of Yarmouth, for a young horse sired by him. Mr. H. Kennedy of London, sold a horse colt sired by him for \$600. Mr. Jeffery, of Vaughn, refused \$145 for a mare colt, aged 8 months, sired by him. From good mares you may depend on realizing from \$200 to \$1,000 for colts sired by him. He will travel through the Province the coming season so as to afford to the inhabitants of the country generally an opportunity of improving their stock. The route will be made known in our next number. He will leave the Westwell farm on Monday the 13th day of May.

Terms of service, \$5 down and \$15 in nine months, if the mare proves to be in Foal, and \$80 in three years if the colt is kept for a stallion. Wanted to hire a few really good mares to raise colts. A higher figure will be paid for the use of good mares, than the colt from any other horse would be worth.
