The Tiller of the Soil

Deserves the gratitude of mankind, his are the hardships, exposure and wearing work of life. Its pleasures are few and its disappointments many. Dyspepsia, Rheumatism, Bad Blood, Anxious Nerves and worried mind beset the struggling farmer and make his task of providing food for the people harder than it should be. Dr. Ward's Blood and Nerve Pills remove these troubles and give the vim, vigor and vitality that make success sure. You can get a book of information free. GOSSIP.

The winner of the championship as the best fat beast, any age or breed, at the Smithfield Club Fat Stock Show, London, Eng., December 5th to 9th, was the two-year-old Aberdeen-Angus heifer, Ju-Ju of Glamis, bred and exhibited by the Earl of Strathmore. The reserve number was the Shorthorn two-year-old heifer, Silence, shown by Mr. W. E. Learner, and sired by Ringleader. The live weight of the champion was 1,757 pounds, and that of the reserve 1,848 pounds.

Mr. C. D. Wagar, of Enterprise, Ontario, has recently purchased from Mr. W. D. Flatt, Hamilton, Ont., a choice pair of Shorthorns, the bull being the ten-months-old Trout Creek Champion, sired by Robert The Bruce - 2535 - sold for \$350 last winter to go to Nova Scotia, where he won second prize at the Provincial Exhibition, his half-brother, Silver Chief, from the same dam, Imp. Mimosa, winning the first prize and sweepstakes. This calf weighed at ten months 900 pounds, and is as smooth as a dollar, and has great constitution and a grand coat of hair, which he inherits from his excellent sire. His dam is Floss, by Edin Chief, by imported Rajah, a son of the Cruickshank bull, Gravesend. Mr. Wagar paid a long price for this youngster, but he promises to prove good value for it. The cow is Hazel, by Nelson Wonder, a son of Prince James, a sweepstakes winner at Toronto Exhibition. He is by imp. Knight of Warlaby.

The annual meeting of the New York State Breeders' Association was held at the Chamber of Commerce, in Rochester, Dec. 14th and 15th. There was a large attendance of breeders of all kinds of live stock, in spite of the fact that highways were almost impassable, and the various railroads entering the city were badly blocked with snowdrifts. Among the many excellent addresses were "The Dairy Cow," by Henry Van Dresher, of Cobleskill, N. Y.; "Abortion-Its Prevention," by Dr. W. L. Baker, Buffalo; "Mortimer Levering, Lafayette, Ind.," gave two addresses on "Home and Foreign Mutton and Wool Markets," and "Judging Live Stock in the Showring," both of which were listened to with great profit. Hon. John Dryden, of Toronto, gave an address on "Ideals in Breeding," which was full of practical points, and was very highly appreciated. The closing address was by the Hon. J. H. Brigham, Assistant Secretary of Agriculture, on "What the Department of Agriculture is doing for the Farmer," and like all that preceded it, was listened to with close attention. Officers were elected as follows: President, Frank D. Ward, Batavia; 1st Vice-President, P. J. Cogswell, Rochester; 2nd Vice-President, F. C. Stevens, Attica; Secretary, Wm. H. Chamberlain, Kanona; Treasurer, Frank A. Converse, Woodville. Directors for four years - C. D. McLaury, Portlandville; Henry Van Dresher, Cobleskill; N. V. Hamilton, Caledonia.

THE SUNNY SLOPE SALE OF HEREFORDS.

At the sale of the Sunny Slope herd of Hereford cattle belonging to the estate of the late C. S. Cross, of Emporia, Kansas, held at Kansas City, December 7th, fifty-seven bulls made an average of \$307, forty-seven females an average of \$365, and one hundred and four head in all an average of \$333.17. The sensational feature of the sale was the competition for the young show cow, Beau Real's Maid, which resulted in her passing into the possession of Mr. K. B. Armour, of the great Armour Shipping and Packing Company, who maintains a fine herd of "white-faces" near Kansas City. The price made by this cow, \$2,250, is the highest ever paid for a Hereford cow in America, and so far as we know the highest price ever made by a cow of the breed on either side of the ocean. Mr. Armour also secured the highest priced bull, the two-year-old Climax 4th, at \$1,025. Pretty Maid went to Tom Clark, Bucher, Ill., at \$1,055, and the bull, Sir Battle Beau Real, to Marshall Field's manager at \$900.

SMITHFIELD CHAMPION SHEEP.

The champion plate, value \$50, for the best pen of 3 long-wooled sheep or lambs at the Smithfield Fat Stock Show, London, Eng., Dec. 5th to 9th, was won by a pen of Cotswold lambs owned by Mr. W. Thomas. The average weight of these lambs was 205 pounds each. The reserve number was Mr. H. Dudding's pen of Lincoln yearling wethers, whose average weight at 21 months was 355 pounds. The short-wool championship plate, value \$50, was won by Mr. P. L. Mills' Shropshire yearling wethers, whose average weight was 245 pounds. The Earl of Ellesmere's Suffolk yearling wethers were the reserve number, and their weight 338 pounds. The Prince of Wales's challenge cup, value £100, for the best pen of three sheep or lambs, any breed, bred by the exhibitor, went to Mr. Mills' Shropshire yearling wethers, and the reserve to Earl of Ellesmere's Suffolks.

DOCKING.

The resolution recently adopted by the Council of the Royal Agricultural Society, prohibiting colts which have been docked from competition for prizes at the Royal Show, has created such a storm of protest from farmers and stockmen throughout the country that the resolution has been practically rescinded by the adoption of another which renders the former inoperative for the present.
