As a blood purifier nothing can be found to equal Gates' Life of Man Bitters and Invigorating Syrup, and at this season of the year when the blood undergoes a complete change, the strong and healthy as well as the feeble should alike look after this important matter and thus fortify the system against diseass. A BLESSING IN DISCUISE .- No one would suppose that the introduction into the family of a bottle of PUTHAM'S PAINLESS CORN EXTRACTOR would be the means of restoring peace and prosperity. Corns are painful, and the constant consciousness of this upon the best natured produces pervous depression, ill temper, recklessness leading to a desire to spend their time away from the bosom of their family. In order to avoid the evils above mentioned always keep a bottle of Putnam's Corn Extractor on hand. Sold everywhere, N. C. POLSON & CO., Kingston, Proprietors.

When a cold or other cause checks the operation of the secretive organs, their natural healthy action whould be restored by the use of Ayera's Pille, and inflammatory material thereby removed from the system. Much serious sickness and suffering might be prevented by thus correcting these slight derangements that, otherwise, develop into settled disease.

AYER'S Hair Vigor

youth, faded or gray hair to a natural, rich brown color, or deep black, as may be desired. By its use light or red hair may be darkened. thin hair thickened, and baldness often, though not always, cured.

It checks falling of the hair, and stimulates a weak and siekly growth to vigor. It prevents and cures scurf and dandruff, and heals nearly every disease peculiar to the scalp. As a Ladies' Hair Dressing, the VIGOR is unequalled; it contains neither on nor dye, renders the hair soft, glossy, and silken in appearance, and imparts a delicate, agreeable, and lasting perfume.

MR. C. P. BRICHER Writes from Kirby, O. MR. C. P. BRICHER WILES From ASPUS, O., July 3, 1882: "Last fall my hair commenced falling out, and in a short time I became nearly bald. I used part of a bottle of AYER'S HAIR VIGOR, which stopped the fall-AYRE'S MAIR VIGOR, which stopped the falling of the hair, and started a new growth. I. have now a full head of hair growing vigorously, and am convinced that but for the use of your preparation I should have been entirely bald."

J. W. Bowen, proprietor of the Mc Arthur (Ohio) Enquirer, says: "AYER'S HAIR VIGOR is a most excellent preparation for the hair. I speak of it from my own experience. Its use promotes the growth of new hair, and makes it glossy and soft. The Vidor is also a sure cure for dandruff. Not within my knowledge has the preparation ever failed to give entire satisfaction."

MR. ANGUS FAIRBAIRN, leader of the MR. ANGUS FARBAIRN, leader of the celebrated "Fairbairn Family" of Soctish Vocalists, writes from Boston, Mass., Frb. 6, 1 '0: "Ever since my hair began to give since revidence of the change which fleeting time procureth, I have used AYER'S HAIR VIGOR, and so have been able to maintain an appearance of youthfulness—a matter of considerable consequence to ministers, orators, actors, and in fact every one who lives in the even of the public." in the eyes of the public."

MRS. O. A. PRESCOTT, writing from 18 Flm St., Charlestown, Mass., April 14, 1882, says: "Two years ago about two-thirds of my hair eame off. It thinned very rapidly, and I was fast growing bald. On using Aver's Harr Vigor the falling stopped and a new growth commenced, and in about a mouth my head was completely covered with short hair. It has centinued to grow, and is now as good as before it fell. I regularly used but one bottle of the Vigor, but now use it occasionally as a dressing."

We have hundreds of similar testimonials to the efficacy of AYER'S HAIR VIOOR. It needs but a trial to convince the meet skepti-

This is a most interesting book, written in a very popular style. Mr. Winks has written what everybody will love to read. The shoemakers of England have always been remarkable for two things: first, they have always been in advance of other trades-people in their love for religious and political freedom. In all movements in England for progress they have stood together as one man. The shoemakers of England have also been remarkable for their intelligence, humor, love of honesty, and their hatred of all affectation and shams. From their ranks have sprung, more than from any other class of tradespeople, men of great power and influence. The great Wesleyau Metl odist denomination owes more to the cobblers of England, than to any other class. Mr. Winks tells some ex-

citing stories of some of them, Price 25 ets. TRADE SUPPLIED.
