KENTVILLE, JUNE 9TH, 1916.

PROVINCIAL LEGISLATURE.

Nomination Day, June 13th.
Election Day, June 20th.
Liberal Conservative Candidates for Kings County:
Lieut. J. D. Spidell, of Kentville, Officer 219th Battalion.
J. Everett Kinsman, of Centerville, Farmer.

Among the many inventions which are being launched publicly and privately against Mr. Spidell in the present contest is that which holds him up as having abandoned his much applauded resolution to go to the front as a Combatant Officer in the fight waged for civilization in which so many Canadians are now engaged. The proof of this offered is that he does not now appear in uniform at political meetings.

Ignorance cannot be set up as an excuse for this. Mr. Wickwire was connected with the Militia for a while and even a novice should be so far acquainted with the King's Canadian regulations and orders as to be ashamed to make such a statement. The 667th paragraph is as follows:

"367.—An officer or soldier is forbidden to institute or take part in any meetings, demonstrations or processions for party or political purposes, in barracks, quarters, camp or their vicinity, under no circumstances whatever will either attend such meetings wherever held in uniform." Mr. Spidell holds a permanent appointment as Lieutenant in the 219th Regiment, and but for the political contest now going on would be at Camp Aldershot with Captain George S. Cutten and other clergymen who have conspicuously occupied pulpits in this County. He could not without becoming unamenable to military discipline appear at any political gathering in uniform, and those who have been referring to the absence of his uniform better have conceived some other device less easily exposed.

Forsaking The Party.

The trend of affairs in Provincial politics shows that the Liberals are carrying too heavy a load with their 34 year old Government and everywhere their followers are forsaking the party. This is going on all over the Province and the Murray Government is sure to meet an overwhelming defeat. A change is what the public are after and the Liberals are deserting the sinking ship and joining the party of progress and reform.

W. C. Mulhall for 15 years Mayor of Liverpool a former Liberal is now Conservative candidate in Queens.

D. F. McLean for a long time mayor of Port Hood and a free lance Liberal now Conservative candidate in Inverness.

Chas. F. Blackadder, Halifax, will poll the first Tory vote this year for the Blackadar family.

Fred P. Roman, Editor of Industrial Advocate has severed his connection with his party for their criminal neglect of mining regulations also W. H. Priest of Halifax and others.

In this County Mr. E. M. Beckwith, after 35 years service for his party cannot longer support them and a large number of Liberals in Kings County will follow his example and vote for Spidell and Kinsman.

Lord Kitchener Universally Mourned

A Stunning Blow to Britain

LONDON, June 6.—The news that Earl Kitchener, Secretary of State for War, and his staff, who were proceeding to Russia aboard the cruiser Hampshire, were lost off the Orkney Islands last night, was the most stunning blow Great Britain has received since the war began.

This is the second shock the country has sustained within a week.

LONDON, June 6.—"K of K drowned, official" flashed newspaper placards at noon today. Ten minutes later all London knew of the tragic death of Lord Kitchener off the Orkney Islands last night.

Coming on top of the recent naval action, the news hit the public a staggering blow—the whole of London being paralyzed for a few minutes while people slowly recovered from the shock. In the eyes of the public Britain had no more popular idol than Kitchener, and his loss meant more than the death of thousands on the battlefield or the destruction of a dozen ships.

VICTIM OF A MINE

The general opinion is that the Hampshire was the victim of a mine rather than a torpedo, as the sea was running high and the ship was so speedy that it would have been practically impossible to hit her with a torpedo. She blew up in broad daylight.

Eighteen months ago Kitchener's death would have been disastrous; today it does not stop or even slow Britain's war machine.

BRITANNIA STILL RULES THE WAVES

An Edinburgh report of the great sea fight says the German fleet contained twenty battleships and battle cruisers, and that the smaller vessels brought the total up to 100. Beatty was fighting odds of three to one in capital ships until the British second division came up. He decided to risk everything, in the hope of holding the enemy at grips until the main British fleet came up to finish the whole German force in a single battle. Had the enemy been as willing as Beatty was the Kaiser would have no fleet today. As it stands the Germans will never risk another general engagement. They know it would mean the end.

Capt Barry W. Roscoe Wounded

Mr. W. E. Roscoe, K. C., received a despatch from Ottawa Tuesday stating: "Regret to inform you Captain Barry Wentworth Roscoe, Mounted Rifles, officially reported admitted No. 7 Stationary hospital, Boulogne, June 4th suffering from gunshot wound, arm. Condition satisfactory. Further information when received will be sent you."

All will regret to hear of his receiving a wound, but glad to have the report it is not serious and his condition is satisfactory.

Corporal George Hutchinson Wounded.

A late list of casualties reports the wounding of Corporal Geo. Hutchinson of the Engineers, son of Mr. and Mrs. George Hutchinson Lockhartville. This family has sacrificed much in giving to our country fine young boys who are fighting in France or in training.

LIBERAL-CONSERVATIVE RALLY AT HARBORVILLE

June 1st, was a day and a night that will be long remembered by the people of Harborville and vicinity.

Posters had announced a Liberal-Conservative meeting to be held at 7.30 that evening, at which Candidates Spidell and Kinsman, were to speak, and give evidence for the faith that was in them. So there was great hustling to get the chores done and long before the time announced for the meeting the entire population of this voting precinct as well as a large number of farmers from the adjoining country had gathered at the shore in anxious anticipation of the evening's treat.

Shortly after 5 p. m. the expected gentlemen arrived in a motor car, with Captain Will McBride, that staunch old war horse of Nova Scotia Conservatism at the helm, and shortly afterwards Nathan Eaton of Canning drove in.

The Candidates with their pilot proceeded to the Sea Side Park Hotel where they dined and prepared for the meeting.

It was some time after eight, before Mr. James Cahill, called the meeting to order, and made a neat little speech that was quite a surprise to some of his auditors, as they never had suspected "Jim" of oratorical abilities before.

Mr. Cahill was very happy in his introductory remarks and presented to the audience,

MEETING HELD

On Tuesday evening the Opera House, Wolfville gathered about 75 or 100 people to hear E. Kinsman, who, by the way, has made considerable progress as a platform speaker, and was well received by the voters present. Being a farmer, it was quite natural that Mr. Kinsman should devote himself mostly to what the Murray Government had done for the poor trodden farmer. He severely criticized the Agricultural College at Truro, and giving his own personal efforts in attempting to improve his crops and cattle and failing to get anything from these institutions that had cost the people so much.

The Chairman then introduced Mr. Spidell and his, as was to be expected proved to be the speech of the evening, and was one of the best arguments that could be presented why preachers SHOULD go into politics.

He then proceeded to arraign the Murray Government of extravagance and wastefulness, and presented statistics to prove it. He took occasion to deplore the insinuations made by his opponents that he had left the army to enter politics and proved that by presenting his letter of appointment and his acceptance of a Lieutenancy in the 219th and stated that he intended joining his regiment just as soon as this election was over.

The last speaker, was our distinguished friend from Canning, who confined himself largely to complimenting the people of Harborville, for their good fortune in living in such a beautiful spot as Harborville, and other ways jollying the people. The singing of God Save the King by the audience led by Mr. Spidell closed a very enthusiastic and successful meeting.
