Chatham, Ont., has a hen
which is setting a record in egg
laying. Since the first of the
year she has laid two eggs a
day for the majority of the days,
and has never missed laying at
least one egg. Her record is
three eggs in six hours. An
expert poultry man was there
trying to purchase the hen, and
when he could not, he paid \$30
for six eggs. An effort is be-
ing made to find a good mate
for this hen, as she has beaten
records of the best layers at the
Ontario Agricultural College. J.
W. Ingram is the owner of this
Black Minorca.
