VARICOCELE

CURED TO STAY CURED.

Varicocele impairs vitality and destroys the elements of manhood. Surgical means should not be employed to treat this complaint, as operations always weaken the parts. We daily prove by successful results that Varicocele can be cured without operation. Instead of maiming and mutilating the organs, our VITALIZED TREATMENT strengthens the parts, removes all pain or aching, restores the circulation, reduces the swelling, vitalizes the nerves and establishes the vigor of manhood. Our treatment is the result of 30 years' experience. You feel its insidious influence during the first week.

T. P. Emerson has a Narrow Escape.

"I live on a farm. At school I learned an early habit, which weakened me physically, sexually and mentally. Family Doctors said I was going into 'decline' (Consumption). Finally, 'The Golden Monitor,' edited by Drs. Kennedy & Kergan, fell into my hands. I learned the truth and cause. Self-abuse had sapped my vitality. I took the New Method Treatment and was cured. My friends think I was cured of Consumption. I have sent them many patients, all of whom were cured. Their New Method Treatment supplies vigor, vitality and manhood."

PIERCE & WILTSE

GREENBUSH

Mrs. P. Blanchard received a serious injury by falling on the hard ground. Mr. Root is laid up with a severe attack of rheumatism. Both patients are under the skillful care of Dr. Dixon of Frankville.

Mr. and Mrs. Richard Kerr celebrated the 44th anniversary of their wedding yesterday. The solemn thought impresses itself upon our minds that out of the number of 97 that were present on that occasion 18 persons have passed over to the great majority.

Mr. W. Connell, S. N. Olds, W. H. Tuckaberry and Wm. Justice have each purchased a new cream separator, and all speak in glowing terms of the satisfaction that they are giving.

The population of our town has been increased by a large number of the former people of St. Regis. They occupy a portion of the Read block, 612 Mill street, at present. Their occupation is the manufacture of baskets and fancy work. When the ice leaves the streams, they will engage in trapping and fishing.

We are pleased to report that Mr.

and Mrs. Clifford Hall have become residents of Greenbush. We heartily welcome the young couple to our neighborhood.

It Beats Them All

It has always been admitted that the Family Herald and Weekly Star of Montreal clearly out-classes and distances all the other weeklies, and is looked upon as the one great family and farm paper of this continent. This year the publishers have surely reached the limit as to what one dollar can purchase in the new paper line, for never before have we seen such a handsome picture as "The Princess at Work," and such a grand paper as the Family Herald and Weekly Star offered together for one dollar. Other city weeklies and dollar a year daily papers may attempt to follow the Family Herald, but it is only an attempt. There is only one best, and that is without doubt the Family Herald and Weekly Star of Montreal.

Look at the date on your address label, and if it doesn't read up-to-date, we will be pleased to change the figures.
