

## Humor and Philosophy

By DUNCAN M. SMITH

### PERT PARAGRAPHS.

A man can more easily see his finish if he will borrow his neighbor's eyes.

The bartender considers it a good joke if it makes the loser buy the drinks.

When a man is so slow that he cannot catch a cold, the grip turns around and meets him more than halfway.

People who think it is no crime to be poor have never tried it.

What a great thing the phonograph would have been in the days when cruel and unusual punishment was allowed.

The drawback about doing to others as you would have them do to you is that they generally look at you as though they expected you to spring a gold brick on them next.

Every boy should learn to swim if for no other reason than that his mother might get nervous prostration and have an excuse to go to the mountains.

It is a mighty deaf man who cannot hear the quitting whistle.

Stealing may be a skilled profession, but breaking it up is a fine art.

**Blessing In Disguise.**  
Oh, let us not, dear girls, get hot or go about complaining.  
Or raise a rour and act real sore whenever it is raining.  
The growing grain needs lots of rain. So when the big drops patter. Just let it go and look as though it really didn't matter.

**The Test.**  
"How do you like your new music teacher?"

"He's no good."  
"Why, what makes you think so?"  
"Yesterday I played a common tune clear through, and he didn't say it would take a week's practice to offset the harm done."

**TO CURE FEVER, CHILLS, AGUE.**  
We know of no more reliable Nerve-line. Twenty drops taken in water three times daily not only stops the chills but destroys the disease completely. Nerve-line has a direct action on ague and chills and removes their exciting causes. In stomach and bowel disorders Nerve-line has held first place for nearly fifty years. It is powerful, swift to act, thorough, and perfectly safe. Being pleasant to taste it's popular with everybody. Your druggist sells Nerve-line in large 25c. bottles; satisfaction guaranteed.

**A Coincidence.**  
Mrs. Johnson said to Mrs. Lammis in perfect confidence, "Do you know mine is the prettiest baby in the world?"  
"Well, really, now, what a coincidence," said Mrs. Lammis. "So is mine!"

**ARE GOOD LOOKS VALUABLE?**  
If nature had her way every complexion would be clear and delightful. But many allow their blood to become weak—hence pimples, sallowness, dark circles under the eyes. To have a beautiful complexion use Ferronine regularly. It brings a rich, rosy glow to the cheeks, nourishes the blood and thereby destroys humors and pimples. For beauty, health and good spirits use Ferronine. Your appearance will improve hundred fold. Fifty cents buys a box of fifty chocolate-coated Ferronine tablets. Don't put off—get Ferronine today.

**Surely.**  
"Tommy is such a sweet child," said the mother, "that I often think it will be a miracle if he lives to grow up!"  
"It will," said the candid neighbor, "if a baleful gleam to his eyes."

**FIVE YEARS' DYSPEPSIA CURED.**  
No one knows what I suffered from stomach trouble and dyspepsia," writes Mr. A. B. Agnew, of Ridgewood. "For the last five years I have been unable to digest food. I had no color, no strength, ran down and I felt miserable and nervous all the time. Always had a heavy feeling after meals and was much troubled with indigestion and specks before my eyes. Hamilton's Pills were just what I needed. They have cured every symptom of my old trouble. My health is now all that can be desired." By all means use Dr. Hamilton's Pills; 25c. per box at all dealers.

**Where It Pinched.**  
Boggs—Isn't it awful the way women wear birds on their hats?  
Closest—Sure, unless the hats without them are more expensive.

**Easily Explained.**  
"I wonder why they call it the late war."  
"Because the Japanese sat up nights to capture a position, I presume."

**Seven Day Inspection.**  
The test of a man's religion, is he ever so pious and meek, is not how it looks on Sunday, but how does it wear through the week.

**Not For Them.**  
"YOU BITTAMMY!"  
"HURRY UP!"

At the Yarmouth Y. M. C. A. Camp, held at Tusket Falls in August, I found MINARD'S LINIMENT most beneficial for sun burn, immediate relief for colic and headache.

ALFRED STOKES, General Secretary.

Never look down on those who look to you.

Have you been betrayed by promiscuous use of pills and medicine without results except a damaged stomach? To those who offer Hollister's Rocky Mountain 35 cents.

A. I. McCall & Co.

"We ought to be so constituted that we would find joy in just living."

"That is all right, but some of us are married men."

"Did you read my last poem?"  
"I hope so."

## A Grand Medicine for the Kidneys.

Don't suffer—don't experiment—don't waste money on unknown, untried remedies. There is one quick cure—one certain cure—one cure that everybody knows does cure Kidney Trouble. That's Gin Pills.

"I have been a sufferer with Kidney Trouble for years. Have tried medicines and doctors' prescriptions, but could get no permanent relief, my case being pronounced chronic. As it is generally known that the properties of gin with alcohol is good for the kidneys, I decided to try Gin Pills, but must admit with very little faith. From the very first pill I got relief, and have since taken nearly four boxes and am COMPLETELY CURED, but am going to continue them a while longer. No dull, sickening pains in the back—no low spirits—am increasing in weight—and more vim and vigor than I have had for years—is what Gin Pills have done for me."

"H. P. HERBERT, Ottawa."  
Be well and strong. Be free of pain. Be able to enjoy all the good things of life, with all your old-time vigor and enthusiasm. Gin Pills will cure those sick kidneys. Start now—to-day—and see how much better you feel to-morrow. See box—6 boxes for \$2.50—and your money back if they don't cure.

**The Real Simon Pure.**  
"The real Simon Pure" is one of those phrases which every one understands and not one in a hundred could account for. Simon Pure was a Pennsylvania Quaker in Mrs. Centlivre's "A Bold Stroke for a Wife," produced at Drury Lane theater, London, in February, 1718. One Colonel Fegwell passes himself off as Simon and wins the heart of a Bristol heiress, Miss Lovely, after which the real Simon Pure turns up.

**Great Ideas.**  
A great idea is usually original to more than one discoverer. Great ideas come when the world needs them. They surround the world's ignorance and press for admission.—A. Phelps.

Those are wise who through error pass on to truth; those are fools, who hold fast to error.—Huckert.

The disgusting discharges from the nose and throat, the foul and terrible breath, are quickly dispensed with by using Dr. Shoop's Catarrh Cure. Such soothing antiseptic agents as Oil Eucalypti, Thymol, Wild Indigo, etc., have been incorporated into a snow white cream, making a catarrhal balm unexcelled. Sold by C. H. Gunn & Co.

**The Weather Prophet.**  
"How are you coming up with your new system of weather prediction?"  
"Well," answered the prophet cheerily, "I can always get the kind of weather all right, but I haven't quite succeeded in hitting the dates exactly."

People who are clean inside will look like it and act like it. They will be clear and healthy thoughts, Hollister's Rocky Mountain Tea. It makes clean people. 35 cents, Tea or Tablets.

**"The Fellow That Looks Like Me."**  
Kingston, June 14.—The trial of Charles Schacher of Montreal for complicity in the \$3,000 robbery at John McKay's in this city in November is proceeding. The defense alleges that Schacher is a brother-in-law of the prisoner, and that he bears a wonderful resemblance to the prisoner, and that in reality Charles, on the night of the robbery, was playing cards in a house in Montreal.

"Have by some surgeon, Shylock, on the charge to stop his wounds, lest he bleed to death." People can bleed to death. The loss of blood weakens the body. It must follow that gain of blood gives the body strength. The strengthening effect of Dr. Pierce's Golden Medical Discovery is in large part due to its action on the blood-making glands and the increased supply of pure, rich blood it produces. It is only when the blood is impoverished and impure that disease finds a soil in which to root. The "Discovery" purifies the blood and makes it antagonistic to disease. When the body is cleansed, the lungs are weak and there is obstinate lingering cough, "Golden Medical Discovery" puts the body on a fighting footing against disease, increases the vitality that disease has thrown off, and physical health perfectly and permanently restored. It has cured thousands who were hopeless and helpless, and who had tried all other means of cure without avail.

Thirty-one one-cent stamps to cover expense of mailing and customs will obtain a copy of Dr. Pierce's Common Sense Medical Adviser, 1008 pages, in paper cover. Send 50 stamps if cloth binding is preferred. Address Dr. R. V. Pierce, Buffalo, N. Y.

The fellow who never makes way for others is pretty sure to make his own way.
