WOLFVILLE AND CANNING PLAY TO TIE

Exciting Game Played at Evangeline Rink Monday Night—Thirty Minutes Overtime Without Score.

After battling strenuously for fifty minutes without a score the Canning and Wolfville hockey teams Monday night decided to let the game stand at a tie 4 to 4. The game was played at Evangeline Rink before a fair sized crowd, and although the brand of hockey displayed was not the best the excitement was at times intense and the game greatly enjoyed by all.

The third period ended with the score tied and although thirty minutes of overtime were played neither team was able to break the deadlock. The teams were very evenly matched although the Canning boys had the edge over Wolfville, and controlled the puck the greater part of the play. McKenna as usual played a splendid game in the nets and Thomson and Rand also showed up well for the locals. Eston, Lyons and Huston were the pick of the Canning team.

Splendid music was furnished before the game and between periods by the Wolfville Band, under the leadership of Maurice Haycock.

The game, which was excellently handled by Referee Lee Fluck, of Halifax was very evenly played, only one penalty being handed out in the ninety minutes of play.

The first period opened with Canning rushing the play to the local goal. Fraser relieved the situation by carrying the puck down the ice only to lose it to the visitors who brought it back. After five minutes of end to end rushes Bartheux secured the puck behind the Canning goal and passed it to Andrew, who netted the first score. Thus encouraged the locals forced the play and kept the puck in the vicinity of the Canning goal for some time. After six more minutes of rather slow hockey Dick scored number two with a long shot from centre ice. Within a minute Thomson made the score 3 to 0. The visitors then began to wobble and rushed the play to the Wolfville goal where Huston secured the puck on a pass from behind the net, and scored number one for Canning. Just before the period ended Rand carried the puck the length of the ice and passed to Dick who made the score 4 to 1 in favor of the home team.

With such a commanding lead at the opening of the second period the locals appeared to be confident, while the visitors began to show their class. Play was carried into Wolfville territory and McKenna was kept busy defending his goal. Fraser relieved the situation temporarily by a rush up the ice, but failed to score. Hoyt finally secured a pass from behind the Wolfville goal and scored for Canning. Soon after Lyons stickhandled the length of the ice for another tally. The visitors were clearly outplaying the locals in this period and McKenna was kept busy in the nets. Lyons received a bad cut on the chin which necessitated his retiring from the game, but although weakened the Canning team kept up the fast pace and Huston tied the score on Eaton's rebound. Although both teams tried hard for the remainder of the period to take the lead the session ended with the score tied, 4 to 4.

The third period saw the best hockey of the game. Both teams were thoroughly aroused and playing their hardest to break the tie. Time after time a score seemed inevitable, only to be stopped by the brilliant work of the defence. The sensational rushes of Thomson and Huston were the feature of this period, which ended without further score.

After a period of rest play was resumed, but although both teams played their hardest for three overtime periods the deadlock could not be broken. Lyons was back on the Canning defence and the splendid work of Rand and Thomson both played hard for the locals, and it was due to them in great measure that a score for Canning was averted.

The teams were as follows:
Canning: Miller, goal; Huston, Newcomb, defence; Grant, Hoyt, Lyons, forwards; Eaton, Bennett, subs.
Wolfville: McKenna, goal; Fraser, Thomson, defence; Dick, Andrews, Bartheux, forwards; Bishop, King, Rand, subs.

JUDSON M. CARD

The death of Judson M. Card occurred on Monday morning at the home of his daughter, Mrs. Kempton R. Craig, Wolfville, this county, after a brief illness. Mr. Card was a native of Lockhartville, a son of the late Benjamin Card, of that place. He was 73 years of age and had spent the greater part of his life in Hantsport, Canning and Biltown. He was an expert blacksmith and in the days of wooden shipbuilding did the iron work on many of the finest vessels turned out by local builders. He was a man of sterling integrity and was highly popular. Many years ago he purchased a farm at Biltown, where he resided on a large blacksmith business and engaged successfully in fruit-growing.

His wife, who was the widow of the late Nathan Taylor, of Falmouth, and whose marriage Miss Emma Hines, of Hantsport, predeceased him three years ago. He is survived by four daughters, Mrs. Haycock, of Newton, Mass.; Mrs. Craig, of Woodville; Mrs. (Dr.) W. King, of Kingston; and Mrs. G. Wallace, of Westville, and five sons, G. Wallace, of Nashville, Tenn.; Horace, of Los Angeles, Cal.; Judson W., of New York City; Foster, of Schenectady, N. Y.; and William C. B., of Shefield, Mass. Mrs. O. Davidson, of Wolfville; and Mrs. M. Steadman, of Kentville, are stepdaughters.

The funeral will be held today from the Baptist church at Woodville, and to take place on Friday at the cemetery at Hantsport.

NEW LIEUTENANT-GOVERNOR OF NOVA SCOTIA

His Honor James Robson Douglas, of Amherst, N.S., who was recently appointed to succeed His Honor MacCallum Garnet, resigned.

ACCEPTS CALL TO HALIFAX CHURCH

Rev. E. L. Curry, of Acadia Academy Staff, to Succeed Rev. E. E. Daley

(From the Halifax Chronicle)

Rev. Emmerson L. Curry, who is housemaster at Acadia Collegiate Academy this term, has accepted the call to the pastorate of the Tabernacle Baptist church, Halifax, and will assume his new duties on June 1st, taking the place of the Rev. E. E. Daley who has retired from the Tabernacle Baptist to accept a call to the Chester church.

Mr. Curry is a native of Port Maitland, Yarmouth County, and is a young man of enterprise and promise. He is not unknown in Halifax, as for more than a year and a half he was pastor of the Bedford Baptist church, coming down from Wolfville to attend to his duties. He is a graduate of Acadia '24 class and has his B.A. and this June will receive his B.D.

Serving overseas with the 85th Battalion, Mr. Curry had been promoted to sergeant when he was severely wounded at Passendale, and has a splendid record for services. It was after his return from overseas that he began his theological studies, and spent his freshman year at Dalhousie, later going to Wolfville where he obtained his degree. He also spent a year at Newton Theological College.

Mr. Curry's record at Acadia has been a splendid one. He was chosen because of his undoubted ability to act as leader for Acadia University Debating Team against the Oxford Team last year, and also against St. Francis Xavier debating team. He won the Coleman Gold Medal for oratory and the Ralph M. Hunt prize for public speaking last year, and was chosen as valedictorian of his class.

"THE BATTLE WITH BOOZE"

Dr. Patterson Addressed Large Audience on Above Subject at Yarmouth on Sunday.

YARMOUTH, Feb. 1.—About seven hundred persons gathered in the Y.M.C.A. Auditorium this afternoon to hear President F. W. Patterson, of Acadia University, in an exposition of the subject, "The Battle with Booze". In his opening remarks the speaker said there were many men who always talked a lot about fighting, but beyond that never were known to do much. He then referred to the old days, when local option was in force, and later prohibition, dealing well with each of those phases. He said there are often recited the many evils which prohibition causes, and among them are the making of dope fiends, bootlegging, perjurers, rum-running, smuggling, etc.

The first he repudiated by the statement that it has been ascertained that the users of dope were never persons who drank. As for the bootlegger he would bootleg, anyway, which the speaker had learned by personal observation; and the perjurer would commit perjury, whether he had prohibition or not.

During his residence in the West, Dr. Patterson said, he had learned much concerning the bootlegger, and in every instance he was found to be the lowest type of alien, and the man who backs him, the speaker said, can be readily classed as the most despicable class of citizen.

Dr. Patterson referred to the work of the temperance workers, and remarked that although they mean well, they fail to carry on. They begin with the blast of twenty-five German brass bands, and in a few months they cannot produce the music of a sick mosquito. In the meantime, the liquor dealer, rum-runner, bootlegger, etc., with all their forces most thoroughly organized, are carrying on without the slightest hesitation.

Dr. Patterson spoke on the subject from many points, and in concluding stated that he felt that the real vote, whether it be Federal or Provincial, would be overwhelmingly in favor of more stringent enforcement of the liquor laws.

ADVERTISING

Advertising creates good-will, not in unrelated units, but in the mass. It fosters, and even commands, fair dealing.

It establishes the confidence of the dealer and the consumer alike, not by hundreds, but by millions.

And, advertising like any other form of creative energy, work best and produce most, when under experienced direction and intelligent restraint.—N. W. Ayer & Son in the Literary Digest.

For Every Ill—Minard's Liniment

WILL REPORT IMMEDIATELY

Mr. Justice Coderre, who has been conducting the inquiry into the administration of the Montreal police force for the past four months, has concluded his investigations. He says he will prepare his report almost immediately.

LITTLE INTEREST TAKEN IN CIVIC ELECTION

Coombs, Porter and Macpherson Elected to Fill Vacancies in Council

Probably never in the history of this town was so little interest manifested in a civic election as was the case in the contest on Tuesday of this week. Conditions for getting out to vote were favorable but the day passed off quietly and a very small number of citizens availed themselves of the privilege of the ballot. The returning officers and clerks had a rather dull session and the result was as follows:

C. G. C. Coombs	320
C. H. Porter	295
J. A. Macpherson	262
J. A. M. Hemmeon	131

The new Council will be Messrs. Chester G. C. Coombs, Charles H. Porter and Major John A. Macpherson, all of whom should prove useful and efficient members of the board. Regret is expressed quite generally that Dr. Hemmeon has not been given an opportunity to demonstrate his capacity for legislative activity, but that will come later. Only three could be elected out of four and somebody had to give place.

Mr. Coombs, our popular station agent, had the distinction of being first place and that without canvassing a vote or making a promise. The situation is a very unusual one, as strange as it may seem, the candidate who does the most personal work gets the most votes, regardless of his qualifications. That it is an exception, rather than a rule is evidenced in the case of Dr. Hemmeon, who also disregarded the usual tactics and was at the foot of the list.

Mr. Porter is a Wolfville boy who has spent all his life in the home town, and his election indicates that his fellow citizens have shown their appreciation of the energy and industry which he has manifested in his personal affairs by calling him to a broader sphere of activity.

Major Macpherson, while for several years a resident of the town, is very much a stranger since his duties in connection with his position as office manager of the L. E. Shaw Limited keep him away from town most of the time. He should be a useful man in the Council because of his familiarity with financial affairs, and those who are best acquainted with him predict his success as a civic representative.

FORMER WOLFVILLE BOY MARRIED IN U.S.A.

At the State Mutual Building, Worcester, Mass., on January 19th, by Mr. Cronin, Justice of the Peace, Elliott Randolph Schofield, son of Mr. and Mrs. Norman Schofield, Wolfville, N.S., was united in marriage to Miss Mary Elizabeth Wheller, only daughter of Mr. and Mrs. William H. Weller, of Cranford, Mass. After a two weeks' wedding trip they will make their home at West Upton, Mass.
