Railway and its ocean connections at each end.

When did the **Vranscript* ascertain this fact?* On the contrary, is it not file intention of the Government descent have pretty well cooled down, thanks in great part to the action of some sensible Roman Catholic bishops and priests who have taken the stand that Riel deserved no sympathy, from the Catholics because he murdered priests and good churchmen, broke up missions and scattered the nuns. These are the facts of the case, as even the most enraged French-Canadian can see when not blinded by passion.—X. Y. Tribune.

The revenue statement to the acach according to the Cape and the Ca

to be \$12,453,074. This is a decrease "We know all about it. The Light of \$1,635,640, compared with the "House point is the right terminus; chief decreases in customs are owing to the great decreases in import of breadstuffs and provisions. The receipts from excise are rapidly picking up. Of the decrease \$400, our passengers, mails and going by your steam picking up. Of the decrease \$400, our passengers, but we have decided to do is accounted for by the fact that the payment of interest by the that the payment of interest by same five months last year. The "we will run our line there; you

one lunatics and sent to the asylum. The Transcript then proceeds to take the richest man in America, deepfied dead in his office on Tucsgray afternoon. The cause of his death is said to be paralysis of the brain The dead millionaire inherited a large portion of his wealth from his father, the celebrated Commodore Vanderbilt, who, although born poor, was the richest man on the continent at the time of his death; but he also inherited the ability to add to his millions, and as a rail, way potentate made his impress on the age in which he lived.

—Sir Alexander Campbell, late Minister of Justice, publish's a memo, containing a review of the trial and evidence againts Riel. He deals with the jurisdiction of the court, the sanity of the prisoner, and the motives actuating him, From the evidence given by Father

Andre for the defence, it appears

on alunatics and sent to the asylum. The Transcript then proceeds to take her proceeds to take her, for the tasm month last year.

—James T. Hurley, manufacturer year.

—James T. Hurley, manufacturer of boots and shoes, in St. John, N. B, has purchased the machinery and hurray, arson—Peck.

—James T. Hurley, manufacturer of boots and shoes, in St. John, N. B, has purchased the machinery and hurray, and Murray, a

seat of manufactures.

From the evidence given by Father Andre for the defence, it appears that Riel chimed morey from the Canadian Government five months before hostilities broke out, declaring if he got \$35,000 he would claring if he got \$35,000 he would claring if he got \$35,000 he would go wherever the Government would send him and that if he was satisfied the half breeds would be allo. His letter to Poundmaker, discovered after that chief's capture, as well as the being proved in the company of armed Indians, shows that he was the being proved in the company of armed Indians, shows that he was the being proved in the company of armed Indians, shows that he was the most of the provided in the company of armed Indians, shows that he was the most of the government was made and the half breeds would be allowed him to escape the company of armed Indians, shows that he was the most of the second. The first offence amply proved in the company of armed Indians, shows that he was the been groved in the company of a tree that chief's capture, as well as the being proved in the company of a tree that chief's capture, as well as the being proved in the company of a tree that chief's capture, as well as the being proved in the company of a tree that chief's capture, as well as the being proved in the company of a tree that chief's capture, as well as the being proved in the company of a tree that chief's capture, as well as the being proved in the company of a tree that chief's capture, as well as the being proved in the company of a tree that chief's capture, as well as the being proved in the company of a tree that chief's capture, as well as the being proved in the company of the second the being proved in the company of the second the being proved in the company of the second the provided that the publication of details of suicides agast as a stimulus a

capally divided. Since the election of a righteous law.

The London Times thus deals with the Riel question: The plea of insanity, strenously urged both at the trial and afterward, entirely broke down. The plea of wronging to every five conviction, brought forwarden purely technical grounds, was rejected at cance and peremptosely by the Privy Council, whose promptitude showed that they regarded the plea as almost frivolous and as wholly untenable. When these two claims had failed, all the force of race-feeling and of snarchic outlaws was set in motion. French Canadians processed to regard Riel—who was half Indian in blood, and wholly Indian in character and sympathies—as one limited. The day is the processed to regard Riel—who was half Indian in blood, and wholly Indian in bl revolutionary—it has been extremely difficult for the Canadian Govern.

—The latest returns from British

revolutionary—it has been extremely difficult for the Canadian Government to uphold the law. Yet in so doing the Government has fulled its plain duty, and, as we trust will be recognized when the momentary excitiment has died away, has done a service as much to lawabiding subjects of French race as to the English settlers. For Riel was more than a political criminal, the was a murderer, and the instigator of murder, foul, wholesale and pittless.

—The latest returns from British elections show that there have been elected 324 Liberals, 245 Conservation and the remembered was convicted in St. John in Feb. 1880, of forging P. E. John in
