THE WORLD'S FRIEND!

HOLLOWAY'S OINTMENT.

A CURE FOR PILES AND FISTULAS.

Inflammation of sensitive parts, piles, fistulas, and such like painful diseases may be presently relieved, and ultimately cured by the proper and diligent use of this cooling and healing Ointment, whose action should, in such cases, be assisted by judicious doses of the Pills :—ere many days have elapsed the anxious patient will experience a wonderful degree of ease from this treatment. They are equally suitable to both sexes, and all ages.

COUGHS, COLDS AND ASTHMA.

These complaints of the chest come on with alarming frequency. The Ointment should assiduously be rubbed at least twice a day on the chest and between the shoulders, when the violence of all symptoms will gradually give way, the breathing become longer, and the oppression less. No medicines are more efficient in chest complaints, none can be used with equal safety and certainty. Both Pills and Ointment are accompanied by very clear and simple directions for using them.

A MAN WHO REFUSED TO HAVE HIS LEG OFF.

"From Kilrush Advertiser, June 2nd, 1860."

BENJAMIN COX, ESQUIRE, Magistrate, said in the Board Room at Kilrush, that he knew a man who had been in the Infirmary and was actually turned out as incurable, on his way home to Kilrush, he purchased at Ennis, Holloway's Pills and Ointment, for as he said, it could not be worse with him. This man, "said Mr Cox," became by their use as sound and as healthy as any man in the room. These celebrated Pills and Ointment will cure any wound, sore or ulcer, however long standing, if properly used according to the printed directions.

GOUT AND RHEUMATISM.

The essence of these diseases lie in the blood, which has floating through each vessel, the pungiving poison which irritates and inflames every tissue it comes in contact with, and produces the hot, swollen, elastic enlargement about the joints so characteristic of gouty disease. The philosophy of cure consists in overcoming this depravity in the blood, which is purified by the use of the Pills. The Ointment, when rubbed upon the skin, penetrates the system through the pores, acts in unison with the Pills, and soon effects a cure.

DROPSY, SWOLLEN LEGS OR ANKLES.

The various kinds of dropsies, whether windy or watery, arises from some obstruction to the free circulation through the blood vessels or lymphatics, or depend on the inflamed state of some secreting surface. Holloway's remedies, of which the efficacy cannot be exaggerated, act directly upon the blood, the absorbents and secretions, with a power that no dropsy, however inveterate, can long resist. They regulate the proper flow of blood in every organ, and purify it likewise,—they filter out everything that is morbed or injurious,—they thoroughly regenerate every function, yet potent as they are for good, they are powerless for evil. They do not contain mercury or any noxious substances. They act safely and certainly.

BAD LEGS, BAD BREASTS, AND OLD ULCERS.

This invaluable Ointment was never known to fail in the cure of a wound, any sore, or any ulcer,—as can be proved by innumerable testimonials from persons who had been discharged from Hospitals as incurable, and yet by perseverance they have been made as sound as they were the day they were born by this incomparable Ointment. For pimples, blotches, scald heads, and scorbutic humours, it is equally efficacious.

Both the Ointment and Pills should be used in the following cases.

Bad Legs	Contracted and Stiff Joints	Sore Nipples
Bad Breasts		Sore Throats
Burns	Elephantiasis	Skin Diseases
Bunions	Fistulas	Scurvy
Bite of Moschetoes and Sand-flies	Gout	Sore Heads
	Glandular Swellings	Tumors
Coco-Bay	Lumbago	Ulcers
Chigo-Foot	Piles	Wounds
Corns (soft)	Rheumatism	Yaws
Cancers	Scalds

JUDSON'S Mountain Herb Pills.

ASOUP, we present you with a perfect likeness of TECASO, a chief of a tribe of the strange Aztec Nation, that once ruled Mexico. You will find a full account of him and his people in our Pamphlets and Almanacs—to be had gratis, from the Agents for these Pills.

The Inventor and Manufacturer of "Judson's Mountain Herb Pills," has spent the greater part of his life in traveling, having visited nearly every country in the world. He spent over six years among the Indians of the Rocky Mountains and of Mexico, and it was thus that the "MOUNTAIN HERB PILLS" were discovered. A very interesting account of his adventures there, you will find in our Almanac and Pamphlet.

It is an established fact, that all diseases arise from

IMPURE BLOOD!

The blood is the life! and when any foreign or unhealthy matter gets mixed with it, it is at once distributed to every organ of the body. Every nerve feels the poison, and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficiency of bile. The action of the heart is weakened, and so the circulation is feeble. The lungs become clogged with the poisonous matter; hence, a cough—and all from a slight impurity at the fountain-head of life—the Blood! As if you had thrown some earth, for instance, in a pure spring, from which ran a tiny rivulet, in a few minutes the whole course of the stream becomes disturbed and discolored. As quickly does impure blood fly to every part, and leave its sting behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon dies out.

These pills not only purify the blood, but regenerate all the secretions of the body; they are, therefore, unrivalled as a

CURE FOR BILIOUS DISEASES,

Liver Complaint, Sick Headache, &c. This *Anti-Bilious* Medicine expels from the blood the hidden seeds of disease, and renders all the fluids and secretions pure and fluent, clearing and reanimating the vital organs.

Pleasant indeed, is it to us, that we are able to place within your reach a medicine like the "MOUNTAIN HERB PILLS," that will pass directly to the afflicted parts, through the blood and fluids of the body, and cause the sufferer to brighten with the flush of beauty and health.

Judson's Pills are the Best Remedy in existence for the following Complaints:

Blood Complaints,	Debility,	Inward Weakness,
Coughs,	Fever and Ague,	Liver Complaints,
Colds,	Female Complaints,	Nervousness of Spirits,
Chest Diseases,	Headache,	Piles,
Costiveness,	Indigestion,	Stone and Gravel,
Dyspepsia,	Influenza,	Secondary Symptoms,
Diarrhœa,	Inflammation,	&c. &c.
Drops,		

GREAT FEMALE MEDICINE!

Females who value health, should never be without these Pills. They purify the blood, cause regularities of all kinds, change the skin of all pimples and blotches, and bring the rich color of health to the pale cheek.

☞ The Plants and Herbs of which these Pills are made, were discovered in a very surprising way among the Tarumas, a tribe of Aborigines in Mexico, by the Absence of our Agent, and you will read with delight, the very interesting account it contains of the "Great Discovery" of the Aztecs.

Observe—*The Mountain Herb Pills are put up in a Beautiful Wrapper. Each box contains 40 pills, and Retail at 25 cents per box. All genuine, have the signature of B. L. JUDSON & CO., on each box.*

MRS. WINSLOW.

An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP,

FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, by softening and reducing all inflamation—will allay ALL PAIN and spasmodic action, and is

SURE TO REGULATE THE BOWELS.

Depend upon it, mothers, it will give rest to yourselves, and

RELIEF AND HEALTH TO YOUR INFANTS

We have put up and sold this article for over ten years, and CAN SAY, IN CONFIDENCE AND TRUTH of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of commendation of its magical effects and medical virtues. We speak in this matter "WHAT WE DO KNOW," after ten years' experience, AND PLEDGE OUR REPUTATION FOR THE FULFILMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILLFUL NURSES in New England, and has been used with NEVER FAILING SUCCESS in

THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS, AND WIND COLIC

and overcome convulsions, which, if not speedily remedied, end in death. We believe it the BEST and SUREST REMEDY IN THE WORLD, in all cases of DYSENTERY and DIARRHŒA in CHILDREN, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—DO NOT LET YOUR PREJUDICES, NOR THE PREJUDICES OF OTHERS, stand between you and your suffering child, and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.

Sold by Druggists throughout the world.

MOFFAT'S LIFE PILLS AND PHŒNIX BITTERS.

THESE MEDICINES HAVE NOW BEEN before the public for a period of THIRTY YEARS, and during that time have maintained a high character in almost every part of the globe for their extraordinary and immediate powers of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

IN MANY THOUSANDS,

of certificated instances, they have even rescued sufferers from the very verge of an untimely grave, after all the deceptive nostrums of the day had utterly failed; and to many thousands they have permanently secured that uniform enjoyment of health, without which life itself is but a partial blessing. So great, indeed, has their efficacy invariably and infallibly proved, that it has appeared scarcely less than miraculous to those who were acquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act. It was to their manifest and sensible action in purifying the springs and channels of life, and cleansing them with renewed tone and vigor, that they were indebted for their name.

Unlike the host of pernicious quackeries which boast of vegetable ingredients, the LIFE MEDICINES are purely and solely vegetable; and contain neither *Mercury*, nor *Antimony*, nor *Arsenic* nor any other mineral, in any form whatever. They are entirely composed of extracts from rare and powerful plants, the virtues of which, though long known to several Indian tribes, and recently to some eminent pharmaceutical chemists, are all together unknown to the ignorant pretenders to medical science; and were never before administered in so happily efficacious a combination.

The first operation is to loosen from the coats of the stomach and bowels the various impurities and crudities constantly settling round them; and to remove the hardened fæces which collect in the convolutions of the small intestines. Other medicines only partially cleanse these, and leave such collected masses behind to produce habitual Costiveness, with all its train of evils, or sudden Diarrhœa with its imminent dangers. This fact is well-known to all regular anatomists who examine the human bowels after death; and hence the prejudices of these well-informed men against the quack medicines of the age. The second effect of the VEGETABLE LIFE MEDICINES is to cleanse the kidneys and the bladder: and, by this means, the liver and lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and lungs, before it passes into the heart, being thus purified by them, and nourished by food coming from a clean stomach, courses freely through the veins, renews every part of the system, and triumphantly mounts the banner of health in the blooming cheek.

The following are among the distressing variety of human diseases in which the VEGETABLE LIFE MEDICINES are well known to be infallible.

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind; *Flatulency, Loss of Appetite, Heartburn, Headache, Restlessness, Ill-Temper, Langour,* and *Melancholy,* which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

COSTIVENESS, by cleansing the whole length of the intestines with a solvent process, and without violence: all violent purges leave the bowels costive within two days.

DIARRHŒA and CHOLERA, by removing the sharp acrid fluids by which these complaints are occasioned, and by promoting the lubricative secretion of the mucous membrance.

FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all intestinal obstruction in others.

The LIFE MEDICINES have been known to cure *Rheumatism* permanently in three weeks, and *Gout* in half that time, by removing local inflamation from the muscles and ligaments of the joints.

Dropsies of all kinds, by freeing and strengthening the kidneys and bladder: they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of *Gravel*.

Also *Worms*, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere.

Asthma and *Consumption*, by relieving the air-vessels of the lungs from the mucous which even slight colds will occasion, and which, if not removed, becomes hardened, and produces those dreadful diseases.

Scurvy, Ulcers and *Inveterate Sores*, by the perfect purity which these LIFE MEDICINES give to the blood, and all the humors.

Scorbutic Eruptions and *Bad Complexions*, by their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of *Salt Rheum*, and a striking improvement in the clearness of the skin. *Common Colds* and *Influenza* will always be cured by one dose, or by two even in the worst cases.

PILES. As a remedy for this most distressing and obstinate malady, the VEGETABLE LIFE MEDICINES deserve a distinct and emphatic recommendation. It is well-known to hundreds in this city, that the former proprietor of these valuable Medicines was himself afflicted with the complaint for upwards of THIRTY-FIVE YEARS; and that he tried in vain every remedy prescribed within the whole compass of the *Materia Medica*. He however at length tried the Medicine which is now offered to the public, and he was cured in a very short time, after his recovery had been pronounced not only improbable, but absolutely impossible, by any human means.

FEVER AND AGUE.

For this scourge of the western country these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent—TRY THEM, BE SATISFIED, AND BE CURED.

BILIOUS FEVERS AND LIVER COMPLAINTS

General Debility, LOSS OF APPETITE, AND DISEASES OF FEMALES—these medicines have been used with the most beneficial results in cases of this description:—KING'S EVIL and SCROFULA, in its worst forms, yields to the mild yet powerful action of these remarkable Medicines. NIGHT SWEATS, NERVOUS DEBILITY, NERVOUS COMPLAINTS of all kinds, PALPITATION OF THE HEART, PAINTER'S COLIC, are speedily cured.

MERCURIAL DISEASES.

Persons whose constitutions have become impaired by the injudicious use of MERCURY, will find these Medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury infinitely sooner than the most powerful preparations of Sarsaparilla. A single trial will place them beyond the Reach of competition, in the estimation of every patient.

BE CAREFUL OF COUNTERFEITS.

Several have lately been discovered, and their nefarious authors arrested, both in the city of New York and abroad.

CRAMP & PAIN KILLER.

THE WORLD IS ASTONISHED AT THE wonderful cures performed by the CRAMP and PAIN KILLER prepared by CURTIS and PERKINS. Its equal has never been known for removing pain in all cases; for the cure of Spinal Complaints, Cramp in the Limbs and Stomach, Rheumatism in all its forms, Bilious Colic, Chills and Fever, Burns, Sore Throat, and Gravel, it is decidedly the best remedy in the world. Evidence of the most wonderful cures ever performed by any medicine, are on circulare in the hands of Agents.

AYER'S CATHARTIC PILLS.

ARE YOU SICK, FEEBLE, AND COMplaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed to health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not resisted, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed, by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely cured, by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a forwarding Merchant of St. Louis, Feb. 4, 1860.

DR. AYER: Your Pills are the progeny of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

AS A FAMILY PHYSIC.

From Dr. E. W. Cartwright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

HEADACHE, SICKHEADACHE, FOUL STOMACH

From Dr. Edward Boyd Baltimore.

Dear Bro. Ayer: I cannot answer you what complaints I have cured with your Pills better than to say all that we treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

PITTSBURGH, Pa., May 1, 1855.

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PRERLE,
Clerk of Steamer Clarion

BILIOUS DISORDERS—LIVER COMPLAINTS.

From Dr Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb., 1856.

SIR,—I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours

ALONZA BALL, M. D.,
Physician of the Marine Hospital.

Dysentry, Diarrhœa, Relax, Worms.

From Dr J. G. Green of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alternative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentry and diarrhœa. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Rev. J. V. Himes Pastor of Advent Church, Boston.

DR AYER,—I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855.

DEAR SIR,—I am using your Cathartic Pills in my practice and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr J. F. Vaughan, Montreal, Canada.

Too much cannot be said of your Pills for the cure of costiveness. If others of our fraternity have found them as efficacious as I have they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which although bad enough in itself, is the progenitor of others that are worse. I believe costiveness to originate in the liver, but your Pills effect that organ and cure the disease.

From Mrs E. Stuart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

From the Rev Dr Hawks, of the Methodist Epis. Church.

PULASKI HOUSE, Savannah, Ga. Jan. 6, 1856.

HONORED SIR,—I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr Mackenzie, I tried your Pills. Their effects were slow but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge, La., 5 Dec. 1855.

DR AYER,—I have been entirely cured, by your Pills, of Rheumatic Gout—a painful disease that had afflicted me for years.

VINCENT SLIDEL.

☞ Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.
