CANADA'S GOVERNOR-GENERAL.

The London Canadian Gazatte makes the following statement regarding the rumor that Lord Stanley of Preston, eldest son of the Earl of Derby, former Governor-General of Canada, is to succeed Earl Minto as Canada's Governor-

eneral. "As the Earl of Minto's term does not expire till Novemeber next, it faction whatever used. is somewhat permature to talk about a successor. Lord Stanley has not accepted, nor has he been selected for the

post. We do not know that he has yet ate you on the continued prosperity done anything to qualify him for the that prevails throughout the Domin- position, which more than ever requirion. Canada has received many es a statesmanship of a high, if not blessings during the past year which quiet order."

THE MAGDALEN ISLANDS. The following appeared in the Maritime papers on the 6th inst .:- One of the most important and extensive deals in real estate that has taken place in British North America for years was

consummated in London last week, bringing with them assurances of the when a syndicate of British capitalists loyalty and contentment that prevails acquired possession of the Magdalen Islands in the Gulf of St. Lawrence. A throughout His Majesty's widely exnumber of Canadian capitalists are also tended possessions; and though, at one time, fears were entertained that of bonds, aggregating several hundred pleasing news has come that the the King's illness would have iuvolv- thousand dollars, has already been

placed in the market. The obj ct in buying these is to establish a fish industry of more than ordinary proportions. A large number of Norwegian and Scottish fishermen have alrealy

been engaged for this purpose. The Representatives of this Governcompany will erect stations on the different islands and build houses for their fishermen as well as equip them with boats, small vessels and all requisite fishing gear. connection with the Coronation.
