NOTICES OF THE PRESS. From the N. T. Commercial Advertiser. We are glad to see an American issue of this publication, and especially in so neat and conve-nient a form. It is an admirable compliation, distinguished by the good tasts which has been shown in all the publications of the Messre. Chambers. It unites the useful and the enter-tining. We hope its circulation here will be narge enough to supplant, to a good extent, the namby-pamby and immoral works which have so long been too widely circulated.
