Fashion's Fancies.

Among new summer fabries is velvet Velveteens come for spring in all the new shades of color.

Some of the new shapes of straw bon nets look like a hussaar's helmet. Tinsel threads give effect to many of the new spring woollen novelties.

Entire skirt fronts of Angora lace come among early spring importations. White hats, trimmed in white, will be the fashionable wear for little people in

Cream velvet hats, trimmed with the cream white wings of doves and sea gulls will be much worn by children. There is a tendency to revive the old bourette and boucle effects in fabricks, but they appear in different forms.

Fichus, scarfs, plasterens, and all sorts of accesseries of lace are used to trans-form plain costumes into dressy tellets. Dress fronts made entirely of passem-enteries, Angera lace, and braid in lace designs will be a feature in spring fash-

thereof are all sorts of pretty novelties in the form of bottles, flasks, and cruets for helding oil, vinegar, salt, pepper, and all sorts of sendiments.

Farm and Barden.

Corn should never be fed alone. The farmer who does so is not economical. Corn produces fat, but is difficient in nitrogen and the phesphates. A mixture of corn, and oats and buckwheat or corn, and cats and outswired.

(ground), and lineed or cettonseed meal
added, will give better results, in proportion to quantity, than double the same
amount of corn fed alone.

Whatever e'se you may feed sheep, de not forget to mix in a little salt twice a week. There is nothing that keeps an animal's system se well regulated, and seems to sharpen their appetite as well

During severe cold weather the hog is

During severe cold weather the hog is more succeptible to cold than any other animal on the farm.

It is estimated that the average consumption of wheat by each inhabitant of the United States is nearly six bushel.

If a man should pour grain into a sack that had a great hole in the side, and numble because he reached the mill with beat half what he started with, the neighbars would be justified in calling him foolish. If a man feeds grain to a hog or beef animal that runs all to head tail and leys, and then says that good pork er beef cannot be raised here, what must we naturally think of his judge-

Josh Billings on Infidelity.

cowardice make up the kreed ov infidel-

This will clear the system of humor and bile with clear the system of humor and bile with efficiency, without any of the weakening effect of calomel. People should not irritate the atom the by eating lemons clear; the powerful acid of the juice, which is always most corresive, invariably pacduces inflammation after a while, but, properly diluted, so that it does not hum or draw the threat it does does not burn or draw the throat, it does its medical work without harm, and, when the stomach is clear of food has abundant opportunity to work over the system thoroughly. - Medical News.

Household Hints.

cake as for strawberry or other fruit shortcake. Have ready seven large granges with rind, seeds and white skin removed. Slice them very thin and place between the layers of shortcake. Sift white sugar ever the slices.

ORANGE PUDBING. - Make a custard of the waist is pinched very small, the hair worn very high, the bustle huge, and the sheulders square and high on very fashienable women.

Felds are used instead of fleunces to trim dress skirts, and these folds frequently overlap one the other, and extend from the bottom of the skirt almost to the waist.

the yelks of three eggs, one tablespeonful cornstarch, one cup sugar, one pint sweet milk. While this custard is boiling, peel and slice five eranges and put them into a pudding-dish with sugar sprinkled over each layer; when the custard is dene, and while hot pour it over the eranges. Make a meringue of the whites of the eggs, and two tablespeonfuls even, not have waist.

Basques are long in the waist, but short in the skirt, which is frequently and delicious dish, to be served in cups. The juice of ten large oranges, the yolks waist line, and finished in a short organ of ten eggs, a heaping teacupful of powdered sugar, and one pint of cream; put the angar and erange juice together in a porcelain-lined saucepan, and set it on the stove; stir it constantly until it bubbles, then skim it, and set it where it will cool; beat the yolks of the eggs very light and add them to the orange and sugar, then stir in the cream; let this cook very slowly until it is of the desired th ckness, then pour it into cups. The whites of the eggs should be beaten very diligently, and a teacupirl of powdered secar to beaten with them; put a larg

Some Canadian Indians

The flyda Indians, who inhabit the Queen Charlotte islands, which are the most westerly possessions of the Deminion of Canada, have no form of religious worship in their native state; and their language is so poverty stricken as to lack any word signifying the praise or adoration of a Supreme Being. As these people are inhabitants of this great Dominion a few facts about their religious here. ion, a few facts about their religion. habits and conditions may be interesting. They believe in a Great Spirit whose principal attribute is power, and in a second spirit whose influence is for evil. A vague conception of a future life, supplemented by the doctrine of the trans-migration of souls also exists among them. Their merals are degradingly low and scarcely possess a single redeeming feature. Unlike many native tribes, this is not the consequence of intercourse with the whites, but is their original condition. Chastity is an unknown virtue, and fathers and nothers become and nothers. ers and mothers become procurers for their own daughters, brothers for sisters and even husbands for wives. The wo-men change their man as often as it suits their caprice or convenience. The mest asteunding types prevail among the half-breeds, and red-haired, dark-skinned In-Impudence, ingratitude, ignorance and Did you ever hear ov a man's renouncing Christianity on hiz deth-bed, and turning infidel?

Gamblers, nor free thinkers, haven't faith enuff in their profession to teach it to their children.

Labor and Longevity.

Erricsson, the veteran inventor, was 81 years old recently. He is in excellent health, and works, it is said, sixteen hours a day, proving an exception to the general rule, like many others that are received without question is a fallacy. Perhaps it might be fairly asserted that busy men live longer than idle men; that work is, after all, the true clixir of who didn't believe a hundred times more mental activity will easily occur to the can find in the Bible reader.

nonsense than he can find in the Bible ennywhere.

If an infidel could only komprehend that he kan prove more by his faith than he kan bi hiz reason, his impudence would be much less offensive.

If an infidel could only komprehend that he kan prove more by his faith than he kan bi hiz reason, his impudence would be much less offensive.

If an infidel could only komprehend that he was not in his dotage—as his heirs claimed, in order to get his money—he wrote one of his greatest tragedies? Did not Humboldt do more gedies? Did not Humboldt do more gedies? Did not Humboldt do more gedies? work at fourscore than many bright men de at forty? Goethe, as everyone knows, died with pen in hand at the age of 82.

When I hear a noizy infidel proklaiming hiz unbeleaf, I wonder if he will send for sum brother infidel to cum and as more than eighty-twe years since Victor Hugo was born. Historians, it may be for the orthodox man who engineers the little brick church around the korner.

GODEY'S LADY'S BOOK GODEY'S LADY'S BOOK

GODEY'S LADY'S BOOK

Is the oldest family magazine in America, and is conceded by the press and public to be the leading Fashion Magazine, especially so, its circulation probably covers the largest area of any American publication, its pations eeing found in every civilized country under the sun. 1835 will mark the fifty-fifth year of this Magazine, and it is prop aed that it shall not only exceed in excellence in every department anything in its provious history, but surpass in attractiveness, quality and quantity any other magazine published for the same price. The Magasine, during 1835, will conta'n:

1809 pages of reading, consisting of Stories Novels, Romances, Sketches, Poetry, History, Blographies, by the best magazine wrifers; also, Art and Current Notes, Charades, Dialogues, Lessons on Dressmaking and Cooking.

290 Practical Recipes; besides descriptions of Fashions, domestic and foreign.

180 pages illustrating Fancy-Work in colors, and black and white.

29 pages of Select Music.

18 Heautiful Engravings.

12 Illustrations of Architectural Designs; besides illustrations of Household Interiors and Stories.

Each subscriber will be allowed to make a selection each month of a 'Full Size Cut Paper Pattern' of any design flustrated in the Magazine, without extra cost; these patterns are worth more than the price of the Magazine. We will also present to every subscriber a Steel Engraving (for framing) of Perault's celebrated picture 'Siceping Love,' prepared expressly for this Magazine.

As Godey's Lady's Book has faithfully observed its promise, with the public for fifty-four years, there need be no doubt about the above offer being fulfilled to the letter. Subscription price \$2.00 a year. Sample cepies, 15 cents.

Harper's Magazine

With the new volume, beginning in December, Harper's Magazine will conclude its thirty-fifth year. The oldest periodical of its type, it is yet, in each new volume, a new magazine, not simply because it presents fresh subjects and new pictures, but also, and chiefly, because it steadily advances in the method itself of magazine-making. In a word, the Magazine becomes more and more the faithful mirror of current life and movement. Leading features in the attractive programme for 1885 are: new serial novels by Constrance Fenindree Woolson and W. 6 HOWELLS; a new novel entitled "At thy Red Glove;" descriptive illustrated papers D. F. D. MILLET, R. Swain Giffford, E. A. Abber, H. Gibbon, and others; Goldsmiths. "She Stoops to Conquer," illustrated by Abber; important papers on Art, Science, etc.

HARPER'S PERIODICALS.

Postage Free to all subscribers in the United States or Canada.

States or Canada.

The volumes of the Magazine begin with the Numbers for June and December of each year. When no time is specified, it will be understood that the subscriber wishes to begin with the current Number.

The last eleven semi-annual Volumes of Harpers Magazine in neat cloth binding, will be sent by mail, postpaid, on receipt of \$3.00 per volume. Cloth Cases, for binding, 50 cents each—by mail, postpaid.

Index to Harrer's Magazine, Alphabetical, and Classified, for volumes I to 60, inclusive, from June, 1850, to June, 1880, one vol., 8ve, Cloth, \$4.00.
